Students Request Smoking Areas

A proposal by the student body representatives of the three high schools in the Placentia Unified School District, that board trustees provide smoking areas on the campuses, received a polite hearing Monday night.

The board took no formal action but recommended to PUSD staff that surveys be conducted immediately to ascertain parental and teacher attitudes on the suggestion.

Parents, speaking informally from the audience at the Monday night meeting, spoke out unanimously against the move. Other indications of how parents might feel were revealed by Superintendent of Schools John O. Tynes, brought into the discussion by Trustee Salvador Zavala, who appeared to favor a trial run of the proposition.

Superintendent Tynes told the board: "I would like to just say that there is one thing that you have to bear in mind and that is that we have a great responsibility to those people who pay the bills.

"We have never had as many calls on any subject as we have since the editorial came out on this." (The Star and Courier carried a Letter to the Editor from one of the three student body presidents, favoring the action.) "And at this time, out of over 200 responses that we have had, it is running 52 to 2, against.

"I would not make a recommendation in the face of those odds. It's a problem. In no way would I recommend this at this time. We as school people have to be responsive to the public."

The proposal made by the student body presidents of Esperanza, El Dorado and Valencia High Schools, follows student action taken over a year ago on behalf of the Open Campus, accorded by the trustees on a trial basis and later confirmed...This now allows students to leave campuses at noon time.

The latest campaign by high school student bodies, is the presented proposal that smoking areas be designated at the three schools. The students asked for "a trial period of one semester" which would run roughly the second semester of the 1975-76 school year.

Trustee John Balducci objected to the timing feeling that students who participated in the trial might have graduated and would not be available the following year to report on the outcome of the experiment.

No official action was taken on the request by the board but Dr. William Yates PUSD Board President, said he expected the board would be discussing the matter again "early next year."

Of the five trustees, Dr. Yates was the only one to state a strong status quo position as to the student-sponsored proposal.

"I would like to point out a few things," Dr. Yates began. "We have a current policy against smoking. Where it says that drugs are passed and marijuana smoked," (mentioned in the student proposal as going on in rest rooms), "I would like to look at that with concern, as to its existence now and the magnitude of its existence.

"I would like to see the level of that activity researched and dwelt on by every facet of our staff we can bring to bear against that problem...with much haste.

"The matter of tacit approval of smoking by setting up smoking areas?...Our policy right now is against smoking. There is no question as to whether we condone smoking on campus in that policy. I think it's clear that we do not. A policy that allows an area for smoking? I don't think there is any question about that being a policy that would condone smoking on campus."

Trustee Jean Pappas stated: "I find it a little incongruous that we are living in a society where more and more places are banning smoking and that here we would be relaxing the ban. And I feel very uneasy with that."

Trustee Zavala stated: "I would like to support the decision that most of the students have submitted for us. For too many years nothing has been done. More and more places are not permitted to smoke. I myself am a nonsmoker.

"I can understand the proposal the students have submitted because it is for a trial period. We cannot find out whether it will work or not work if we can't try it. The one feature that I like about this proposal is the fact that you are going to involve parents." (Parental permission was a part of the proposal.)

SERVING THE COMMUNITY FOR MORE THAN 60 YEARS

Volume 65—Number 20 | Placentia, California— Wednesday, December 10, 1975 | 10¢ Per Copy

Photo by Gary Ambruse

LOOKING FOR A PASS-El Dorado's Bob Sellers looks for an open man to set up a play in the CIF Championships. El Dorado won 8 to 5 in overtime Friday at East Los Angeles College. Defending is Riverside Poly's Scott Miller.

Hawks Win Water Polo Crown

BY BRIAN HILDERBRAND

El Dorado High School's amazing athletes cinched the 3A CIF Water Polo crown, then snatched a 2A CIF football victory away from the Azusa Aztecs with the educated toe of Todd Peterson....and did it all in one week.

It was the Golden Hawks first trip to the water polo finals and they came back from East Los Angeles College with an 8-5 score, topped off in overtime.

Coach Walter Druff led his squad this year in a 19-5 season, collecting along the way a tri-championship in the Orange League.

Coach Glen Hastings' football team was equally impressive and now goes against undefeated Agoura. The game will be played Friday at Bradford Stadium, Placentia. Game time is 8 p.m.

The 16-3 victory over the Azusa Aztecs was a cliffhanger with Quarterback Todd Peterson three times booting the bullet through the crossbars for 9 points of the score. The last careful kick left only 20 seconds on the clock.

The contest at Bradford Stadium moved the 2A Hawks into the semifinals.

(Details on the sports pages).

Arbitrator Makes Fire Decision

Two of three former Placentia firemen, members of Firefighters Local Union 2147 (AFL-CIO), who were dismissed from their jobs for allegedly sleeping while on duty, have been restored to their positions by arbitration.

The third man, Captain Dennis Ford, who was in charge of the shift, is terminated and will not return to duty, the arbitrator, Josiah Neeper of San Diego decided.

Reinstated are Captain Warren Fugitt and Engineer Roy Gobrogge, who will now join the Orange County Fire Service, now manning Placentia's two fire stations.

The station on Valencia Avenue is now referred to as Station No. 34 and one on Bradford Avenue is No. 35.

No award of back pay was made for the three men, who were terminated from their jobs early in September.

Final arbitration is still to be enacted concerning four firemen who were fired as a result of charges of petty theft, concerning materials allegedly taken from vacant city buildings. The hearing is expected to take place this month.

$2,500 Vandalism At Kraemer School

An estimated $2,500 in damage has been inflicted upon a typewriter laboratory at Kraemer Junior High School by person or persons unknown.

The damage was discovered Monday and is thought to have been perpetrated sometime during the weekend.

A reported 17 typewriters were smashed to the floor and may be a total loss, school officials estimate. In addition correction fluid was splattered on the walls and floor and obscenities written on the carpet and blackboard.

A student's locker was also burned. [Continued On Page 2]

FISH Will Disband

FISH, a 24-hour emergency service, operated by approximately 100 volunteers from a number of the city's churches, is going out of business on December 31.

The volunteer group, which has been on call for 5½ years, lists a number of reasons for its decision to disband.

A spokesman said that the organization is now serving only ten or so families on a regular basis. Also some services that have been performed by the association are now provided by other agencies such as the city of Placentia's Social Services Department.

Mary Gerhold, one of the founders of the group, said that it was becoming increasingly difficult to get volunteer drivers, prompted by the gasoline shortage. Emergency transportation was one of the services provided.

Also, some members of the organization felt that their efforts could be better used elsewhere, where there seemed to be a greater need.

The decision will leave the city without any kind of 24-hour help line, except for the drug abuse calls at Alpha Center and the Placentia police and fire service. Other agencies work a 40 hour week.

Mrs. Gerhold said also that the group will be turning down the $30 a month in revenue sharing funds, recently alloted to them by Orange County Supervisors.

"We didn't really need all that money," Mrs. Gerhold explained. "We are all volunteers and we certainly didn't expect to get paid."

"FISH served a real need when we started it," Mrs. Gerhold explained. "But there isn't enough demand now."

"We have used up our usefulness," Mrs. Jeannie Fulton, one of the members described.

The volunteers have indicated that they will donate their services to other more pressing projects.

LittleLeague Needs Help!

Placentia's two Little Leagues need help, the groups advised this week!

Since the leagues have split in two because of their oversize, they have found they need double everything, a spokesman stated.

High on their Christmas lists are more board members, managers, coaches, commissioners, umpires and field workers.

"If you can donate a few hours to help your Little Leagues, call Little League President Bob Haurlin at 996-0232," the groups urged.

Photo Dates

Clubs, organizations, schools or any group desiring photo publicity in the Wednesday, Dec. 24 and Wednesday, Dec. 31 editions of this newspaper should arrange to have photos taken by the Star-Courier photographers on Tuesday, Dec. 23 and Tuesday, Dec. 30. The normal photo assignments day of Thursday will not be observed on December 25 or January 1 due to the Christmas and New Years holidays. The usual photo assignments will be accepted for Friday, Dec. 26 and Friday, Jan. 2, 1976. For photo reservations call 528-7080 or 528-2525.

Homeowners Return To Courts Against City Of Brea

In an effort to protect the environment of their home, members of the Placentia Golden Homeowners Association, for the second time took their problems to the courts this week.

The second legal action, in Superior Court, following by about a year a previous law suit, has temporarily blocked any development of the 83.5 acre Brea industrial tract immediately in back of their $70,000 homes.

The homes are located at Placentia's northern border between Kraemer Boulevard and Valencia Avenue.

Charges in the new law suit will attack the accuracy and substance of both the Environmental Impact Report and a tenative tract map for the industrial property, recently approved by both the Brea Planning Commission and the City Council.

Homeowners noted at that time that neither document included any provision for buffering between the homes in Placentia and the industrial acreage in Brea.

Named in the most recent suit are the city of Brea, the Union Oil Company, and Moreland Development Company, a subsidiary of Union Oil. Moreland is the company in charge of the development of the ground.

The first suit by the homeowners ended in an out-of-court decision and with the agreement that the city of Brea would eradicate all decisions

All Out Effort To Save Bradford Home

An all-out last minute campaign to save the Bradford House, will be launched in the coming week by organizations and individuals who are banding together in the extenisve effort.

The house, the home of the founder and architect of the city of Placentia, Albert Sumner Bradford, is located on Palm Drive between Bradford Avenue and Kraemer Boulevard.

The two-story green structure has been the object of a drive by the Placentia Founders Society to preserve it and bring it up to code, as a Heritage Home for the city.

The current activities on behalf of the home include a campaign of newspaper advertising with an appeal to the public on behalf of the house. Also, a luncheon at Rembrandt's Restaurant at which the Founders Society members will host civic leaders and business men, who will be asked to make pledges.

Joining with members of the Founders Society is the board of the Placentia Art Association, which is now eyeing the home as a Placentia

Santa Bulletins ★ ★ ★ ★

North Pole Hot Line Can Reach Santa

Santa Claus will be answering telephone calls from Placentia children on Monday, December 22 and Tuesday, December 23 from 7 p.m. to 9 p.m.

Any child that wishes to talk to Santa should call only at the times specified, for those are the only times Santa will be available.

The special telephone number to call Santa is 993-8232. Parents are urged to keep their children from calling at other times.

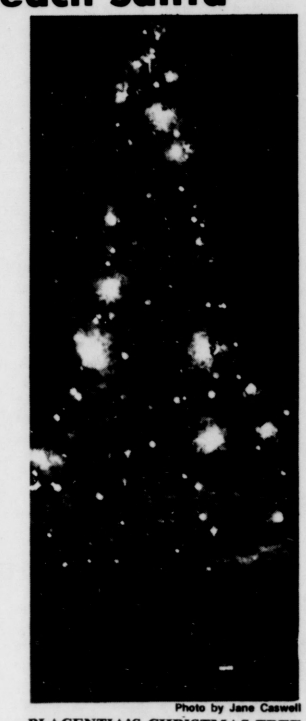

Photo by Jane Caswell

PLACENTIA'S CHRISTMAS TREE stands lighted in Kraemer Park, the official symbol of the city's Christmas celebration, 1975. The tree was set aglow during ceremonies at Kraemer Park Sunday.

Lots And Lots Of Letters

North Pole Scouts report that Santa Claus is now very busy answering letters from Placentia youngsters.

Santa has asked that all Placentia children who write him should address the letter to Santa Claus, in care of the North Pole.

Letter writiers must put their names and addresses on the letters to be sure of receiving an answer from Santa.

All letters must be mailed in Placentia and addressed to Santa Claus, in care of the North Pole.

Santa Personal Appearances

Santa Claus has announced in Placentia, that he will be able to take time from his busy workshop schedule, to make a few personal visits to Placentia homes!

His calendar is cleared in the evenings, beginning Wednesday, December 17 through Tuesday, December 23.

To make a reservation for a personal visit from Santa, hosts and hostesses should stop by the Recreation Department Office, 117 North Main Street.

Fees to cover Santa's expenses from his workshop to your home, include: a fifteen minute visit, $4 for one to five children; a 30-minute visit, $7, for six or more children and a 60-minute visit for $15, for 25 children or more.

More information is available at 993-8232.

Santa Sets Park Schedule

A few days before Christmas, Santa Claus will be visiting in five of the city's parks, the Placentia Recreation Department reported this week.

Schedules include, Tuesday, December 16, Koch Park, 3:30 p.m. to 4 p.m. and Tuffree Park, 4:30 p.m to 5 p.m.

Wednesday, December 17, Vaqueros Park, 4:30 p.m. to 5 p.m. and Atwood Park, 3:30 p.m. to 4 p.m.

Saturday, December 20, McFadden Park, 4 p.m. to 4:30 p.m.

Supervised Play For Holidays

A special holiday playground schedule, with supervised play, will be in effect during Christmas vacation, the city's Recreation Department announced this week.

The schedule will include the following playgrounds and gymnasiums with the specified hours.

George J. Koch Park, Valencia Avenue, 10 a.m. to 5 p.m., Monday through Sunday. McFadden Park, Melrose Street, 10 a.m. to 10 p.m., Monday through Friday and 10 a.m. to 6 p.m. Saturday and Sunday. Parque De Los Ninos on Atwood Avenue, 10 a.m. to 10 p.m., Monday through Friday and 10 a.m. to 6 p.m., Saturday and Sunday. Parque De Los Vaqueros, Carlsbad Street, 10 a.m. to 5 p.m., Monday through Sunday.

Tynes Gym, Tuffree Park, 10 a.m. to 10 p.m., Monday through Friday and 12 noon to 5 p.m., Saturday and Sunday. McFadden Gymnasium on La Joila Road, 1 p.m. to 5 p.m., Monday through Friday and 5 p.m. to 7 p.m. Monday through Thursday.

Teen Room, Backs Community Building, Kraemer Park, 6 p.m. to 9 p.m., Monday through Thursday.

Letters To The Editor

Clinics May Disappear

To The Editor:

Why are there three times more Spanish-American women in free family planning clinics than there are in the Orange County population? Because there are more of us who are poor.

Family planning helps families get out of poverty by spacing children and choosing our family size.

On January 22, 1973, the supreme court made the decision that all women have the right to choose to have or not have a child. If we ever want to make this choice, it is our right by law.

These free family planning clinics are threatened by the despotico injusto decision of men we elected to represent us - the Orange County Board of Supervisors. One man, Supervisor Ralph Clark, says "Government doesn't belong in the bedroom" but we know our house, walls, wiring and other household things are under the government control. Two men, Supervisor Thomas Riley and Supervisor Laurence Schmit, demand that family planning be stopped. If they get their demand, 3,500 spanish-American women will have no family planning clinics.

Do we want justice under the law for the poor and children by choice? Let these elected officials hear the voices of the Spanish-American today and every day!

Do you know that Orange County family planning services are available and free to you if you qualify?

Do you know that the Orange County Health Department conducts 12 clinics a week in various locations in the country?

Do you know that thousands of Mexican-American women used this service last year?

Do you know that these services may be discontinued because the Orange County Board of Supervisors may vote against the family planning program?

If you have ever used this service you already know how important it is.

If you have never used this service, you may not have the opportunity.

Make your opinion known.

Speak up for your rights.

Call or write your supervisor today and encourage him to vote for the family planning program.

The Board of Supervisors may decide to cancel the Orange County Health Department's family planning program which provides free birth control services to over 10,000 women a year. Nearly 3,500 of these women are Spanish-American. In 1976 the women may have no place to go for family planning.

The five men who constitute the Board of Supervisors, will vote on whether to continue through 1976 the Health Department's family planning program. In addition to giving couples an opportunity to space their children or limit the size of their families, this program offers quality medical screening for diabetes, anemia, cervical cancer, and other conditions to the 10,000 who use its clinics each year. These services contribute to healthier mothers and children, as well as improved family situations.

Spanish-American women, in particular, have found these services valuable, they represent one third of all the patients in the program, though they constitute only one tenth of the women in the county. If the board cancels the program, these women will have a difficult time finding other resources for birth control services.

If you believe a woman has a right to birth control services, write or call your supervisor today - before it's too late. Encourage him to vote "yes" to continue the Health Department's family planning program.

Sincerely,
Maria M. Belcher,
Placentia

Property Appraisal Asked

Mayor Lyons and City Councilman:

Several week ago I was denied the right to review the Chapman Avenue appraisal report, even though my property may be condemned, to widen Chapman Ave. According to city officials, I have no right and neither do other Chapman Avenue owners have a right to see the appraisals on their property at this time.

To me that is a plain denial of my rights as a property owner, citizen, and taxpayer. I base that claim on a precedent already set by the city in another legal condemnation situation.

I refer to the five acres that our City Council purchased adjacent to the Civic Center for $85,000 an acre totaling $425,000. The legal owners of record were the Placentia Landowners who remained the owners until May 7, 1975. However, on January 21, 1975, the Founders K Corp. requested the appraisal report on those five acres. Think of it. They weren't even the legal owners and yet they were given the appraisal without question. The January 21, 1975 minutes of the City Council clearly reflect the eagerness and willingness of the City Council to cooperate with the Founders K Corp. The following is an excerpt from those minutes proving that point:

"Purchasing Agent Park stated that a communication had been received from Founders K Corp. on January 21, 1975 from Mr. Muckenthaler. The letter does state three points of information that the Founders K Corp. would like to have.

1. Appraisal Report to the City of Placentia.
2. Exact area and description of the 5 acres to be condemned.
3. The date the proposed condemnation will be culminated and title passed to the City.

The letter further states that upon receipt of the foregoing information the Founders K Corp. will further evaluate this offer. Mr. Park stated that it appears that they are leaning towards a friendly condemnation.

Councilman Langer felt that the Staff should sit down along with the City Attorney and have a discussion with Founders K Corp. with regard to just how the thing wants to proceed. He didn't feel that we should jump into the condemnation without at least discussing it. The reason Founders K probably wants to go this way is for tax purposes.

MOTION by Councilman Langer to have the City Attorney and Staff negotiate with Founders K Corp. and provide Council with a report at the next Regular Meeting of 2-4-75, and information requested by Mr. Muckenthaler be sent to Founders K Corp.; SECOND by Councilman Callahan and carried by the following ROLL CALL vote: AYES: Gomez, Langer, Lyons, DeJesus, Callahan.

Gentlemen, all I can say is, if Founders K Corp. was entitled to such courtesy and appraisal report even though they were not legal owners of record, then, I certainly am entitled to the Chapman Avenue Widening appraisal report and all computations as are other Chapman Avenue property owners.

Founders K had only to write a request - What do I have to do? - Go to court?

Sincerely,
Peter Laborde,
Placentia

Vote Council Out

Letter to the Editor:

Commenting on Jack and Bonnie Scarpa's Letter to the Editor in the December 3, 1975, edition of the Courier, they say, "The City Council of Placentia ought to be ashamed for their part in this shameless though apparently legal rip-off of the Placentia taxpayers."

I think the people who ought to be ashamed are the taxpayers who don't vote all the members of city council out of office the next time they are up for re-election.

Sincerely,
Daniel S. Stackhouse,
Placentia

Bicentennial Medallions Available

Bicentennial Medallions, commemorating the 200th anniversary of the American Revolution and Placentia's 50th anniversary, are now on sale at various locations in the city, the Bicentennial committee reports.

The medallions are about the size of a silver dollar with the City of Placentia Seal dated 1926-1976 on one side and the Bicentennial Emblem date 1776-1976 on the other side.

The special souvenirs are currently available at City Hall, the Placentia Round Table and Junior Round Table and a Touch of the Seasons, located in Town Center.

Sales will continue through Placentia's 50th anniversary in December 1976. The price of the medallion is $3.

Groups and organizations who wish to sell the medals can contact Bicentennial Committee treasurer Ed Houston at 524-1788. Organizations retain 25 cents from each medallion sale. Individuals also may contact Houston for purchases.

NEW HOME--of Placentia's Social Services Department is the former City Hall at 120 South Bradford. The public is invited to attend an Open House Tuesday from 2 p.m. to 5 p.m., the department reports, for information on the services now offered to Placentians.

Social Services Sets Open House

The Office of Social Services, now located at 120 South Bradford Avenue in Placentia's former City Hall, will hold an Open House Tuesday, December 16 from 2 p.m. to 5 p.m.

The public is cordially invited to attend, Fred West, Director, announced. The telephone number at the facility is 993-8178.

Several services are now being provided at the center including information and referral, consumer affairs, legal aid, employment assistance, housing assistance and volunteer recruitment.

The social services staff members will be in attendance at the Open House and will give information on the services that are now available to Placentia residents through the department's resources.

Bradford House Campaign

[Continued From Page 1]

Cultural Arts Center. This latter development would include turning the homestead into a changing art gallery as well as a showcase as a Heritage Home.

Mrs. Beverly Lunger, president of the Placentia Art Association, said this week that her board had discussed the practicality of using the stately home for constantly changing art exhibits. In connection with this use, the group envisions the city employing a cultural arts coordinator, who would function from an office in the Bradford House and operate it as an art gallery.

Members of the Founders Society said this week that they consider the 6,000 square foot home a $156,000 asset, which should not be destroyed. The city, which received the house and 2½ acres of ground around it as a gift from Bradford heirs, are in the process of determining its fate.

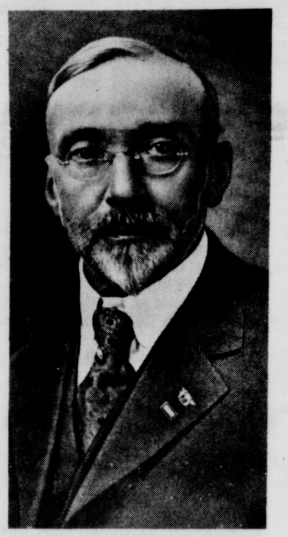
Currently on file are two plans for development of the acreage into Bradford Park either with or without the home and the city's Recreation and Parks Commission recently approved the passive park plans without the house.

The city council has allowed the Founders Society members until the first of the year to raise sufficient funds to bring the house up to code, expected to be considerable expense, in the neighborhood of $60,000.

One deterrent to the plans is the fact that Bradford heirs placed a deadline on development of the park at July, 1976. However, Albert S. Bradford, grandson of the city founder, said last week that he believed the deadline could be extended if the city sought to do so.

There were indications this week that the organizations and individuals working to save the house, will petition the Placentia City Council to seek an extension of the life of the residence until the council has time to take action on the creation of a Cultural Arts Commission.

Consideration of the commission was on the council's most recent agenda but was continued to allow councilmen more time to study and consider it.



ALBERT SUMNER BRADFORD

Homeowners Vs. Brea

[Continued From Page 1]

concerning development of the property, and start the municipal process in motion from the start.

At the beginning of the first development plans, J.A. Gordon, president of Moreland Development Comapny, Simi Valley, had asked the city of Brea for permission to use the homeowners' block walls so that the 83 industrial development would not need to build its own. This was eventually denied.

In this second round of Brea city hearings, the Placentia homeowners have sought equal buffering to that accorded to Brea homeowners under similar circumstances. Their requests have been for either a 60-foot-wide street in back of the homes, for automobile use only, with a 38 foot berm for buffering or a 72-foot earthern berm.

Also, the homeowners are requesting that industrial buildings be built with the loading docks away from the houses.

The most recent legal action has provided an alternative mandamus to order the city of Brea to desist and cease any action permitting grading or building permits on the property, until further order of the court. The city of Brea must also show cause why it should not be absolutley and forever restrained from any further proceedings on the acreage.

In the previous decision by Brea in the development of the property, the city decreed a 20 foot buffer for the Placentia homes and ordered that a gas line lying on top of the ground along the cities' boundaries, be buried underground. These stipulations, however, were not added as conditions this time.

Kraemer-Unrest On Campus

[Continued From Page 1]

There was no report from the intrusion alarm which apparently did not detect the weekend intruders.

The campus recently has been described as the scene of frequent scuffles between single students, who are thrubbed by groups of youngsters, in gang up attacks. It has also been reported that several teachers have been threatened.

Richard Owen, principal of the school, said Tuesday that the school has had some problems but that they are being dealt with promptly and thoroughly.

"We intend to have a good running school," he stated and said that he did not believe problems at Kraemer are any more severe than at any of the other schools in the district.

The school has and will take disciplinary measures Owen confirmed. Students who break rules are released to their parents who must seek permission to have them reinstated.

Students severely interrupting routines can be suspended for a period of time by the principal but expulsions are effected only by the trustees of the Placentia Unified School District.

"We will go all the way if we have to," Owen said.

Owen reported regarding the recent vandalism that if police work reveals a suspect that charges for damages will be pressed.

"We will take whatever action is necessary," he confirmed.

Council Approves Final RA Zoning

The Placentia City Council, at a special meeting called in the City Hall conference room, completed a second reading of an ordinance which would change the zoning of an 18 acre parcel at Rose Drive and Wabash Avenue, from R-3 PUD to RA, (multi-family residential with combined planned unit development to residential agricultural).

The second reading was interrupted at the last general city council meeting when Sam Treman of Yorba Linda, who owns three and a half acres of the specified property, asked that the zoning be set at R-1, single family residential.

Treman explained that he had been on an extended trip and had missed an opportunity to speak to the issue at the various public hearings. His property had been in escrow at one time to Fredricks Development Co., which had planned a high density apartment development.

"With the zone change, they said they could not continue with their plans," Treman explained. "Very recently it went into escrow again to Mr. Robert Jones."

Jones, Treman said, had planned on developing the property R-1, single family residential, including a number of homes, approximately 1,500 square feet in size, surrounding a central area containing a recreational building and tennis courts.

Treman in the latest city council action, will be requested to make his presentation on the homes though the regular channels, beginning with the city's planning commission.

Country estate owners in the already occupied ground around the problem area, have worked for more than a year to effect a change in the zoning from the R-3 PUD. They contended that when the property was annexed to the city of Placentia that they were advised that the zoning would be single family residential.

The Fredricks Development Company, the original developers, is now asking the courts that the city council be ordered to issue a building permit to allow building of the high density apartments they had planned.

Signups Underway For Italian Visit

Signups are continuing for Placentia youngsters who wish to make a visit to Piacenza, Italy in July, 1976, as guests of student in that country, Mrs. Eva Carter, in charge of the tour, said this week.

The trip is being planned for 11 and 12-year-olds, Mrs. Carter explained and is approaching the first deadline for registering.

If other children can be accommodated, 11 and 12-year-olds will be welcome from any of the city's schools, Mrs. Carter added.

Enough adults have signed for the trip to assure an ample number of chaperones, Mrs. Carter said, but the Italian hosts are anticipating a larger number student visitors than have signed up to date, so vacancies exist.

The trip will be a return visit to Piancenza, Italy, following the first exchange when Piacenza youngsters came to the United States to get acquainted with their pen pals in Placentia.

On the coming excursion, the round trip fare for student under 12 will be $374 and for those over 12, $666. Deposits are now being accepted. The American students will be housed in student homes in Italy and will be entertained by their hosts.

Mrs. Carter added that fund raisings will be held between now and July to help defray some of the expense of the journey. Mrs. Carter can be reached at 528-7847. The financial chairman is Mrs. Betty Aitken at 524-6079.

New Post Approved By Council

The Placentia City Council has approved a new city job classification title, Director of Planning, with a four to one vote, establishing the position with a monthly salary range from $1,523.88 to $1,880.67.

The introduction of the resolution establishing the post brought a retort from Mayor Pro Tem Michael Callahan who noted there was no explanatory material on how the wage scale had been decided.

"I certainly would like to have a complete report on it before we decided to vote on it...how you arrived at the wages," Callahan remarked. "I don't like getting a resolution the night of the meeting and being asked to vote on it."

The new post may serve as a replacement for the Department of Community Planning, now held by Thomas Nelson. Nelson who is leaving the city December 10, draws a yearly wage of $26,957. He is in charge of planning, building and engineering.

Students Seek Right To Smoke

[Continued From Page 1]

Trustee John Balducci added: "I line up with Sal. That is the way it is." But Mrs. Pappas warned: "I don't think we should line up yet. There should be surveys of the parents and of the community. And reaction from the teachers. Until we have that I'm not ready to vote."

The proposal was presented by Ken Sawa, Associated Student Body president of Esperanza High School; Gloria First, Valencia High School president and Caryn Clark, El Dorado president.

The three page document said it was based on the legislative decision SB 171, presented by Senator Arlen Gregario and signed by Governor Edmund Brown. The paper stated: "We feel that students attending Esperanza, Valencia and El Dorado High Schools should have the option to use a smoking area established on campus, with parental permission required."

The proposal continues: "With a smoking area established, congregations formed by smokers within the restrooms and locker areas will be eliminated. the problems linked with the large groups of smokers will also be eliminated such as vandalism, harassment and smoke filled air."

It also was pointed out in the proposal that although it is against the law for anyone to sell tobacco to minors, it is not against the law for students to buy or possess smoking tobacco and purchasing a pack of cigarettes from a vending machine is legal.

The speakers estimated that approximately 25 per cent of students on the three campuses smoke and a minority of student spokesmen talked against the written proposal.

Trustee John Press stated: "I'm sure the students can appreciate what a difficult and sensitive issue this is since they have some pretty substantial disagreements among themselves. I really don't know how I feel on this subject right now. It's going to be a difficult one on which to make a decision. We'll have to do what we can to get a broader statement of public opinion on this issue. This is our job, to be representative of public opinion and not simply expressing our own personal points of view."

Also in the proposal was a condition that students using the smoking area would submit to some kind of anti-smoking presentations and course material.

Book Title

The Placentia City Council has granted permission to Virginia Carpenter of Fullerton, to entitle the history book on which she is at work, "Placentia: A Pleasant Place."

Miss Carpenter, who has been doing research on the work for some time, was formerly associated with the Placentia Library.

THE BULLDOZER'S COMING!

ARE YOU WILLING TO PROTECT YOUR HERITAGE?

THE TIME HAS COME TO STAND UP AND BE COUNTED. WITHOUT YOUR INDIVIDUAL SUPPORT YOU AND I WILL LOSE THE ONLY PUBLICLY OWNED HOUSE IN PLACENTIA THAT DATES BACK TO THE TURN OF THE CENTURY.

1. The Bradford family home located on a 2½ acre parcel in the Town Center was donated to the City of Placentia to become a park in memory of A.S. Bradford, the founder and architect of the City of Placentia. Without your expressed interest in retaining this property of extreme historical value the City will be compelled to "demolish" the home.

2. This home of 6,000 square feet at today's building cost of $26.00 per square foot to replace would cost $156,000. Does it make sense as a tax payer allow the City to throw away a $156,000 asset?

3. The City Council's most recent statement of December 2, 1975, is that they will give "full support" up to but "not including spending money".

4. The Placentia Founders Society has for the last 18 months taken on the project of raising the $60,000 necessary to bring this historical home up to present code for public use.

We need your monetary support.

WHAT CAN YOU DO?

1. Write your Councilman at City Hall at 401 E. Chapman Ave. in Placentia, 92670, Expressing your support.
2. Call Dial your Mayor (714-528-0722) expressing your support.
3. Send your letter of support to the Placentia Founders Society, Inc., P.O. Box 128 Placentia 92670.
4. If you wish to become actively involved in our project write the Placentia Founders Society, Inc. at P.O. Box 128 Placentia 92670.
5. Send your contributions to the Placentia Founders Society, Inc., P.O. Box 128, Placentia 92670.

NOW LET'S SEE? Crystal Kent, 6, contemplates what else is important on her Christmas list as brother Casey, 3, has everything under control. They live in Placentia.

Photo by Jane Caswell

THE VILLAGE SINGERS--were one of six choirs which entertained the participants at Placentia's 13th annual Christmas Tree Lighting Ceremony Sunday in Kraemer Park. The event was a cooperative venture of the Placentia Ministerial Association and the city's Recreation Department.

Christmas Tree Set Aglow

Placentia's official Christmas Tree in Kraemer Park, was lighted Sunday night as between 500 and 600 people and several participating choruses sang "Silent Night."

It was the city's 13th annual Christmas Tree Lighting Ceremony and this year was sponsored by the Placentia Ministerial Association and the city's Recreation Department.

Master of ceremonies was Mayor Robert B. Lyons with Father Al Ramos, St. Joseph's Catholic Church and Rev. Jesse Aramburo of Inglesia Del Nazareno offering prayers.

Christmas music was presented by choirs from the Church of the Nazarene, Calvary Church, Redeemer Lutheran Church, St. Joseph's Catholic Church, Iglesia Del Nazareno and the city's Village Singers.

Santa Claus made a personal appearance following the program arriving in a white police car with red and blue lights flashing. The jolly gent talked to the 150 youngsters lined up to greet him and gave each one a candy cane. The Placentia Kiwanis Club also assisted with the presentation.

Cloverleaf 4-H Club

Yorba Linda Cloverleaf 4-H Club, Rabbits section, were winners at the annual San Gabriel Valley Rabbit Breeders Show.

At this show Joan Cantwell's winners were her Netherland Dwarfs and English Spots. The dwarfs won first and second places and the two Spots received second awards.

Melanie Stout's rabbits went up the road of fame with Best Chinchilla Rex, Best Opel Rex, and a first and a second place.

Karen Williams' New Zealand champions won Best of Breed, and three first places. Her Champagne D'Argents won Best and Best Opposite.

Cathy McCan also had some New Zealand champions who won Best Opposite, a fourth, a fifth, and a sixth.

New Zealand rabbits are popular and Ernie Carter's champions won a first and a second.

Yorba Linda Cloverleaf 4-H Club will be celebrating Christmas with a party instead of their Monthly business meeting. They will be giving canned goods to a needy family.

The group will be bringing presents to exchange and engage in fun and games. The party is to be held at the Yorba Linda District Library.

Baseball, hotdogs, apple pie, and 4-H spirit was the scene at the Yorba Linda Cloverleaf 4-H Club Picnic.

The picnic was held last Sunday, at Arrow Vista Park in Brea.

The 4-Hers and their families brought their lunches and checkerd table clothes for the fun filled event.

Cloverleaf Reporter: Monte Whitaker.

Property Taxes Due

First installment property taxes will become delinquent if not paid by today (Wednesday, December 10th) stated Tax Collector Treasurer Bob Citron.

Property taxpayers are reminded that if the payments aren't received, or postmarked, by the 10th of December, a 6% penalty shall apply.

Citron stated that since the 466,000 property tax bills were mailed out last October 10th, pre-payments on the total $592 million tax bill this year have been coming in at a faster rate than last year.

Citron stated that as of December 2nd, approximately $46 million of the first installment $296 million had been collected.

Citron said that these early collections are invested by the County Treasury and earn additional interest for all the taxing agencies. This in turn reduces the amount of money these agencies have to raise through taxation.

Citron said that in the fiscal year 1974-75, his office earned $38 million in interest for all taxing agencies.

Light Opera Company Entertain

The Fullerton Civic Light Opera will entertain members of St. Joseph Women's Council with an evening of musical entertainment on Wednesday, December 10.

The program will begin promptly at 8 p.m. in the Parish Hall.

Participants are reminded to bring a wrapped gift marked for man or woman to be given to a convalescent home in the area for Christmas.

Round Table Home Section To Meet

The Home and Garden Section of the Placentia Round Table will meet Wednesday, December 17 at the home of Mrs. Andres Jessen, 5331 Cedarlawn Drive, Placentia, the group said this week.

The Yorba Linda Strings will provide the program. Committee hostesses include Elsie Edwards and Lenora Parks.

Photo by Jane Caswell

CAN'T WIN THEM ALL--But a candy cane and a Ho, Ho, Ho from Santa, should help. Two year old Karen Fisher is not sure that she approves of all this excitement but brother Brent, 8, finds it a pleasant experience. The youngsters live in Placentia.

Welcome Wagon Luncheon

Placentia Yorba Linda Welcome Wagon will spotlight club member Peggy O'Hara Gibble doing a dramatic interpretation of Helen Hayes' book "A Gift of Joy," at the Wednesday, December 10 luncheon at the Del Rae Restaurant in Fullerton.

Mrs. Gibble, an actress and director currently with the South Coast Repertory Theater, has a masters degree from the University of Miami in theater directing and an undergraduate degree in speech and drama with a minor in TV.

She has acted in and directed two Shakespeare Festivals and summer stock productions. She has done one women shows in Arabia, Venezuela, Florida, New Jersey and Texas.

Mrs. Gibble and her husband George have been Placentia residents since March of this year.

Following the luncheon at noon will be a gift exchange among the members. Reservations for the luncheon may be made through Jackie De Koning at 528-1687 or Honey Hager at 528-2382.

Other activities of the club are couples and ladies bridge, golf, arts and crafts, garden club and gadabouts and two gourmet groups.

Anyone interested in further information regarding Welcome Wagon membership may call Jeanne Snook, president, at 993-1631 or Barbara Dillon, membership chairman at 993-9148.

Pack 742

Cub Scout Pack 742 held their November meeting at Glenknoll School on November 20. Bobcat pins were presented to four new members, Geoffrey Henderson, Tom Johnson, Brad Sambrano, and Raymond Zuniga.

Scott Green and Jeff Endresen each were awarded a gold and a silver arrow.

Webelos awarded badges were: Randy Lewis, scientist; David Graham, artist, athlete, showman, traveler; Doug Brower, scientist, citizen.

On November 23 the pack and their families enjoyed a hay ride at Coal Canyon Stables, followed by a picnic at Featherly Park.

The pack will hold their Christmas meeting at Glenknoll on December 18 at 7:30 p.m. Upcoming events include a trip to Disneyland and the Pinewood Derby.

GOP Women Convene

The Orange County Federation of Republican Women will hold its annual convention December 11 at the Sheraton-Newport Hotel in Newport Beach.

Bob Harvey, chairman of the Orange County Central Committee, will give the welcoming address.

Speakers will be Ronald Reagan, Republican candidate for President and State Senator George Deukmejian.

Senator Deukmejian has served for 12 years as a member of the California Legislature and is a lawyer by profession. He is minority floor leader in the Senate and serves on the Judiciary, Revenue and Taxation and Government Organization Committees.

Interested guests are invited and may call local clubs for reservations.

Judges Feted

Orange County judges and their guests will be hosted by the Orange County Trial Lawyers Association during the organization's first "Bench and Bar" cocktail party Wednesday, Dec. 10.

Lawyers, legal secretaries, law students and the judges will meet in the ballroom of the new South Coast Plaza Hotel in Costa Mesa. Drinks and hors d'oeuvres will be provided for the 6:30 to 7:30 p.m. cocktail party, while a no-host bar will remain open from 7:30 to 9 p.m.

Pack 706 Keeps Busy

Pack 706 of Placentia-Yorba Linda Boy Scouts was reorganized this fall and is now busy with scout work and Christmas plans.

The pack is under the direction of Ron Ross, cubmaster; Roy Sonye, assistant cubmaster and Peter Gwosdof, committee chairman. The leaders are Renee Kamenszki, Rita Roggelin and Audrey Schroyer.

The three dens are looking forward to the Family Christmas Party to be held December 12. November activities included selling tickets to Scout-O-Rama and sponsoring a needy family at Thanksgiving.

The top Scout-O-Rama ticket sales boys were Michael Roggelin and Ken Forsythe. At the November pack meeting activity awards were presented to Jeff Ross, Bert Stuck and Joe Kamenszki. Bobcat pins were presented to Michael Kamenszki, John Brundahl and Jeff Kildwilder.

T'Masters

Members of the Yorba Linda-Placentia Toastmaster's Club #3425 enjoyed another dinner meeting at the Alta Vista Country Club.

The club welcomed three guests: Dean Lewrence, Bob Welty and Ken Silver. Mike Lackner presided, Richard Wall was the toastmaster of the evening, Chuck May the general evaluator, Bruce Ransan the table topics master.

Prepared after dinner speeches by John Meursinge, Mike Lackner, and Jerry Leff discussed a variety of subjects: The Blind leading the Blind, the CIA, and Publicity.

Guest Lewrence was voted the tabel topics award; Lackner and Jerry Leff tied for the best speaker's trophy; Bruce Ransan won the best evaluator's award and also went home with the bone award.

Santa Claus Will Visit Scout Party

Pack 770 Cub Scouts will receive a visit from Santa at their annual Christmas party on December 15.

Each den will help decorate the tree with handmade ornaments and the tree will be donated to the Garden Lane Convalescent Hospital in Fullerton. Each Club and Webelo member of Pack #770 will receive a gift from Santa and candy canes will be given to each child at the party.

Yuletide Plays At Tuffree

Two Christmas plays will be staged by drama students at Tuffree Junior High School in Placentia Wednesday through Friday, December 10-12, in the campus Multipurpose Room, 2151 N. Kraemer Blvd.

Seventy students from two of Cora Alley's drama classes are working on the plays, "No Christmas Here" and "An Old English Christmas."

Cast in "No Christmas Here" includes Sharon Bumiller, Jeff Cooley, Mark Crockett, Mark Gunter, Jodi Jacobs, Denese Johnson, Mark Massy, Scott Paulson, Jennifer Proctor, Steve Swalzinski, Meg Triester, Robert Voigt and Toni Wirkus.

Production crew heads are Rhonda Seeland, Mrs. Alley's assistant director; Duane Thomas, technical director; Nancy Clemmer, student director; Rod Condit, lighting; Wendy Tripp, sound; Allison Barney, publicity; Annette Watson, costuming; Robin Smith, properties; and Jeff Cooley, set design and construction.

Playing roles in "An Old English Christmas" are Julie Braam, Tammy Brashear, Robin Carson, Debbie Douglas, Robert Gray, Heather Hollister, Steve Lawson, Wade Ralston, Pauls Rygh, Bob Suess, Mike Tobrock, Sindy Vaughn and Todd Walker.

Wassailers and dancers in the production are Karen Ditch, Kay Linsay, Grant Lycett, Susan Matteson, Christine McDonald, Greg Miller and David Root.

Working as crew heads will be Scott Miller, technical director; Tina Pecorelli, student director; Wendy Hagmier, lighting; Greg Miller, sound; Doug Ginoza, props; Natalie Nelson, costuming; Paul Rees, set design and construction; and Jeff Linn, publicity.

The public is invited, and tickets will be available at the door for $1 for adults, 50 cents for students and children under 12.

YOUR Pharmacist SPEAKS

By John Payne, Owner - Reg. Pharmacist

One of the more promising developments in the war against cancer is the search for chalones, pronounced "Kay-lones". It is now felt that these elusive substances are present in all normal cells of the body and that they prevent the rapid growth by division of cells that is typical of cancer.

Research to date indicates that chalones are not "species-specific". If true, this means that it might be possible to take chalones from animals and use it as a serum for the treatment of cancer in humans. A great deal of work remains but experiments on rats suffering from a type of blood cancer have been successful.

Don't experiment where your health is at stake. Bring your prescription to us...we're prescription specialists.

HANDY HINT: Preserve leather-covered books by rubbing with lanolin oil every few years. Apply sparingly with a soft cloth.

NEW OFFICERS--for the Placentia Heritage Festival Days board were selected at the group's last meeting. Outgoing president is Edward Houston [left] and incoming Dick Samp [center]. Peggy Dracoules was named vice president and secretary and treasurer will be Ruth and Fred Bailey.

Heritage Elects Officers

Richard Samp, Director of Placentia's Department of Recreation and Maintenance Services, was elected president at the recent meeting of the Placentia Heritage Festival Days board and will assume his post at the group's next session.

He succeeds Edward Houston.

Elected vice president was Peggy Dracoules, with Ruth Bailey secretary and Fred Bailey, treasurer.

The group will next meet on Thursday, January 8 and at that time will discuss the possible dates for the festival to be held in 1976.

Also named to the board of directors for three year terms were Ruth Bailey, Fred Bailey, Ed Houston, the Teen Council, Bob King and Lend-A-Hand, representative Betty Mead.

Continuing members of the board include: Edwin Powell, City Administrator and the Chamber of Commerce, ex officio members; and continuing with two year terms are Judi Olsen, Richard Samp, the Ag Boosters, and the Placentia Junior Round Table. Those with one year remaining include Mar" Reid, Peggy Dracoules, Allan Ford, the Placentia Jaycees and the Boys Club.

The group will be seeking input from the public as to what the residents of Placentia would like to have included in their annual festivals, which has focused mainly in the past on the Jaycee parade, the Chamber of Commerce pancake breakfast and the Picnic-in-the-Park.

Library Showcase

More resources:

Recent additions to the reference collection: "Artists' and Illustrators' Encyclopedia." by John Quick gives a concise summary of methods and materials currently in use in both the commercial and fine arts fields and includes pretested formulas and techniques-real time savers.

"The Cook's Catalogue" James Beard, editor is a well illustrated encyclopedia of cooking utensils and equipment compiled from an inventory of 10,000 items; evaluated and tested over a three year period.

"The New York Times Book of Antiques." by Mervin Schwartz and Betsy Wade offers a brief survey of the various fields of collecting, describes the characteristics of different periods and advises the reader on how to distinguish the "real thing" from reproductions and fakes.

Reminder:

The second annual Cookie Decorating Convention will be held Saturday December 13th from 10:30-11:00 in the Children's department. This event is for pre-schoolers and all necessary supplies will be furnished by the library.

Water Men At Meet

Nine officials and employees of the Yorba Linda County Water District recently attended the 56th annual conference of the American Water Works Association in San Diego.

Attending every session of the five day meeting, which included discussions on such topics as safety, the new federal Safe Drinking Water Act and water quality, were directors Howard Lindow, Merwin Wagner and general manager Ralph Shook.

Attending single sessions were operations manager Pete Royere, foreman Ray Harsma and Frank Herrera, engineering aide Mike Payne, purchasing agent Alan Ledbetter and senior engineer Richard Davalos.

One of the overriding themes of the conference was employee safety. The district was recently cited by the state for five years with no lost time accidents.

BY Jr. High Yule Sing

The Vocal Music Department of Bernardo Yorba Junior High School will present its annual Christmas program on December 18 at 7:30 p.m. in the school auditorium.

Performing will be four choruses which consist of three concert choirs totaling 110 singers and one mixed chorus of 40 singers. Also featured will be four handbell choirs and 20 soloists from all groups.

First part of the program will be the sacred and serious traditional songs of Christmas. The second part will be the secular and newer songs of Christmas.

Although most of the music to be performed will have a Christian theme, there will also be songs honoring the Jewish community and several songs of secular holiday cheer.

Cancer 'Angels'

Cancer patients needing transportation to or from doctor's appointments, clinic treatments, or hospital visits should contact the Orange County Unit of the American Cancer Society where the "Angels on Wheels" program is available at no charge.

"Angels" are volunteer drivers who go through a short orientation program which prepares them for their responsibilities. An automobile, a valid drivers license, and a desire to help at least two hours a week, are the only things necessary to become an "Angel."

Persons interested in the program, either as patients or as volunteers, should contact the American Cancer Society at 752-8600.

Tuffree Sets Holiday Musicale

Tuffree Jr. High School will hold their Holiday Musicale, Thursday, December 18, at 7:15 p.m. in the Multi-purpose room.

The student program will include instrumental music under the direction of Nile Gooch; vocal music under the direction of Mrs. Nancy Koshak; and Spanish dances done by Bethel Llanez's classes.

The Musical will be preceeded by a short PTA business meeting. A report on the successful Swap Meet will be given, along with the election of the nominating committee, for selection of officers.

In 1975, cancer will take the lives of about 3,500 children under 15 and about half of them will die of acute leukemia, a cancer of the blood-forming tissues-a notable reduction from the maximum deaths (4,615) recorded in this age group in 1965.

The overall incidence of cancer among men is increasing but among black men the incidence is substantially higher, reports the American Cancer Society. The cancer mortality rate per 100,000 population has increased by 50 per cent for black men against 16 per cent for white men. In black women, the mortality rate has been declining at a rate of 3 per cent while in white women the rate is 9 per cent.

Yorba Linda Lowdown

Yorba Linda Jr. High School
Student Reporter Kelly Collignon

Dance contests, prizes, excited students and a band combined on Thursday afternoon at the Yorba Linda Junior High School for a successful seventh grade dance.

The ATZETS Band provided a variety of music for the afternoon dance.

Mr. Ken Darby, Yorba Linda Junior High School teacher and chaperone said, "There was a good crowd. At first not many people danced, but soon the numbers of dancers increased."

The Dance Contest provided enthusiastic participation with Nikki Gonzales, Jill Kennedy, Jim Ferseson and Steve Long taking the prizes.

The Yorba Linda Junior High band and chorus under the direction of Mr. Robert Shury and Mr. Richard Allan will go on tour of the elementary schools December 9 through 12.

The performances will be at Rose Drive on December 9, Nixon School on December 10, Mabel Paine on December 11, and Linda Vista on December 12. The performances will begin at 10:30 a.m. and parents are invited to attend. The students will be singing and playing traditional Christmas, religious and popular numbers.

In the meantime, the classes will present a Winter Music Program at the Yorba Linda Public Library on December 18. This performance will begin at 7 p.m. The program will be a free performance for the entire Yorba Linda Community.

Don't forget! Come and listen and have a Merry Christmas.

Friday, December 5, 100 students ate all the ice cream they could consume. These students were enthusastic participants from Yorba Linda Junior High magazine drive. Students who sold 7 or more magazine subscriptions were invited to the party.

Mr. DeFabbio, representative for the Quality Schools Plan explained at the beginning of the drive what they could expect--THE BIGGEST ICE CREAM SUNDAES IN YORBA LINDA. And that's just what the students enjoyed.

A FIRE last Wesnesday did $500 damage to the Backs Community Building in Kraemer Park. The blaze, accidentally set off by a 17-year-old, was confined to an empty office room in which boxes and sacks of craft materials had been placed for storage. Part of the damage was to the ceiling light fixtures, here being removed by city employee Ed Kratt. The blaze was promptly brought under control by county firemen.

Art Show At Yorba Linda's Lakeview

The Placentia Art Association will hold an outdoor exhibit Friday and Saturday, December 12 and 13 at the Lakeview Shopping Center at 18527 Yorba Linda Blvd., Yorba Linda. The Orange Art Association has been invited to participate also.

This is a good chance to purchase original art work for Christmas presents, the group pointed out. Ten per cent of all proceeds will go to the Placentia Art Association.

The Art Association meets monthly at Back's Community Building at 201 N. Bradford.

Police Academy Graduates

Three women and 13 men including Charles Chavez and Stephen C. Van Etten, from the Placentia Police Department, were graduated today from the 13th Fullerton Police Training School of North Orange County.

Area chiefs of police presented diplomas to the Fullerton College Recruit Class during impressive ceremonies in the Fullerton College Student Center and before a large crowd of family and other well-wishers.

The recruits, representing five law enforcement agencies, along with two non-affiliated personnel, completed ten weeks of concentrated Police Science classes under the direction of instructor Gene Luther, a member of the Social Sciences Division, Police Science Department, of Fullerton College.

Guest speaker was The Honorable James Cook, presiding judge of the North Orange County Municipal Court in Fullerton.

Luther explained that the graduates completed a total of 440 hours of studies for 10 units of college credit.

Their course consisted of classroom studies, specialized training in firearms, tear gas and special weapons, first aid and resuscitation, in addition to simulated field demonstrations and incidents.

Hills Club Show

The Diamond Bar Hills Club will be presenting another Arts, Crafts and Swap show Sunday, December 14, at the Club House, 1673 Maple Hill Rd. from 12 noon to 5 p.m. and every second Sunday of each month.

George Coonis, club manager, stated at the last event there were many exhibitors displaying unique arts and crafts as well as "oldies but goodies" at reasonable prices.

The public is cordially invited free of charge to the show and sale. This would be a good time to shop for those needed gifts for Christmas.

There is still exhibit space available for this sale at the charge of $2. For more information call 595-7714.

PUC OK's Gas Rate Hike

The California Public Utilities Commission has granted Southern California Gas Company authority to increase rates $29,838,000 to cover the first production payments under terms of an Atlantic Richfield Company contract to secure rights to Northern Alaska gas.

The vote was 3 to 2, with Commissioners Leonard Ross and Robert Batinovich dissenting and Commissioner William Symons, Jr., entering a concurring opinion. The increase will become effective December 1.

In keeping with the PUC's policy on lifeline rates, users of 75 therms or less of gas a month will be excluded from any part of the increase. Residential users of over 75 therms will pay an extra 0.543c per therm only for quantities used over 75 therms.

Bills for a typical residential usage of 100 therms will go up about 14c. The PUC said the increase is subject to refund should any reductions in SoCal's costs occur.

Under that ARCO-SoCal Gas contract, SoCal Gas customers will pay interest and other costs associated with the project; in return, the gas company will receive the right to negotiate for 60% of ARCO's reserves in the Prudhoe Oil Pool.

Price tag to SoCal's customers of the project alone, exclusive of the cost of gas itself and transporting it to Southern California, is in the neighborhood of $600 million.

In spreading the rate increase, the PUC excluded low-usage residential customers to promote the concepts of conservation and lifeline service, which is generally described as "the minimum energy needs of the average residential user for space and water heating, lighting, cooking, and food refrigeration."

RAYDRA INTERIORS

"Peggy's Pointers"

Christmas is coming and it's the time of year we secretly put away packages and quietly go about making our choices to give to those we love.

Our houses fill with the delightful scent of cookies baking, pine needles and peppermint candy, and one by one, the stack of Christmas cards begins to grow in baskets, or in colorful rows as we hang them along doors and windows.

It's my own favorite time of the year, because with four children, we have so much fun as the holidays approach. We take down the boxes of ornaments from the attic, and begin to make the house a Christmas place. Our decorating is very sentimental. We have a freshly cut tree each year, and add new homemade ornaments to the ever-growing collection. Mom's always in charge of putting up the lights, scratched arms and all, and hanging the ornaments is a joint project. (I can remember in years past how all the ornaments seemed to hang on the branches three feet from the floor and down). Somehow the upper branches seemed bare. Each year, they hang a little higher.

Hope you'll drop by during the holidays and share some of your Christmas decorating ideas with us.

Fondly,

Peggy

Choirs Present Songs

The Placentia Presbyterian Church Choirs will present Christmas in Song at 7 p.m., Sunday, December 21, at the church.

Among the selections to be presented by the Chancel Choir are: "Navidad Nuestra", "Bring A Torch, Jeanette, Isabella", "Gloria in Excelsis Deo."

Instrumentalists will include Pat Adams, Ross Raymond, Jan Schwartzkopf, Jim Fox and Al Sypherd. Soloists are David Van Deventer, Ruth Miller, Margaret Harenberg, Sally Manville and Margie Somerville.

By the Chalice Choir: "Angels We Have Heard On High", "Away In A Manger," "He Whom Joyous Shepherds Praised,'

By the Carol Choir: "Jesus Was Born In Bethlehem," "There Is No Cradle Ready," "Shepherds! Shake Off Your Drowsy Sleep."

By the Bell Choir: "Lullee, Lullay," "O Come All Ye Faithful" and "Alleluia! Sing Noel."

'Joy Bus' For Church Children

The Church of Christ, located at 4382 Eureka Avenue, Yorba Linda, began a Bus Ministry recently.

The colorful yellow, brown and white "Joy Bus", renovated by the membership, makes its rounds beginning before 8 a.m. each Sunday morning and is nearly full of singing children when it arrives back at the church for 9 a.m. worship services followed by Sunday School classes.

The children are delivered back to their homes by noon. Of special help in the bus program are the congregation's teenagers who arise early to ride the pickup route, sitting with the children both in the bus and at the worship service.

Anyone interested in obtaining additional information or wishing to have their children ride the "Joy Bus" call 528-8577 or 524-0156.

Group For Divorced, Separated

"Who Am I Now That I Am Alone" is a new class which will begin on January 7 at the Yorba Linda United Methodist Church.

The class is designed to help people who are divorced or separated work through that very difficult period in their lives.

The group will meet in the Fireside Room at the church, 19002 Yorba Linda Blvd., Yorba Linda. The cost is $10 per person, plus the purchase of a workshop book for the course at $2.

Pastor Dean Humbert, with several years experience in personal growth groups, and Linda Hansen Smith, an active laywoman in the United Methodist Church and certified group leader of the Southern California-Arizona Conference, will lead the sessions.

They will be held every Wednesday night from January 7 to March 10 at 7:30 p.m. To reserve a place in the group call the church office, 528-7066. The group limit is 25.

The class is open to anyone, church member or not, of any age, who is sperarated or divorced.

Through the inter-action a person will have the opportunity to explore the self and gain new insights in an attempt to answer the question posed by the group title.

There will be an opportunity to make new friends as a sense of community develops within the group. Improved communication skills, an opportunity to begin to look toward the future with more direction, defining Christian love and its relationship to life are other group goals.

Presbyterian Women Hold Luncheon

The Christmas luncheon for women of the Placentia Presbyterian Church, will be held Wednesday, December 10 from 11:30 a.m. to 2 p.m. at the Fellowship Hall at the Church.

Officers will be installed and music will be provided by Valencia High School. Donation for the luncheon is $1.50.

Nazarenes Schedule Special Services

The First Church of the Nazarene of Placentia announces a very special day this coming Sunday, December 14.

According to Rev. Kenneth Wilson, pastor of the church, the children will present their annual Christmas program beginning at 10 a.m. It will be a unique audio-visual presentation of the Christmas story, involving all the children of the Sunday School.

A newly-formed children's choir also will give a Christmas cantata, under the supervision of Mrs. Sageta Jackson. The program will last for about one and one-half hours. The public is especially invited to celebrate the birth of Christ with the children.

At the 6 p.m. service of the Nazarene Church, a special concert will be given by Dr. and Mrs. Horace Stevens, from Riverside, California. The Stevens' are very talented musicians, and will be singing for approximately one and one-half hours. They will sing a mixture of gospel music, Negro spirituals, many old-time favorites, some contemporary gospel songs.

The public is invited also to attend this special service, and there is no admission charge.

Nursery facilities are provided by the church for every service. The Placentia Nazarene Church is located at Chapman Avenue and Walnut Street, just across from Kraemer Park.

Health Council Asks Input

Nine public meetings, including one in Placentia, will be held by the Orange County Health Planning Council to report how the new National Health Planning and Resources Development Act of 1974 (Public Law 93-641) will affect health services and health planning in Orange County.

The public also will be invited to comment on what health needs should be given highest priority and the Council's proposed application for designation as the "Health Systems Agency" (HSA) for the Orange County area under the new federal health planning legislation.

Four of the nine meetings will be held at 7:30 p.m. Tuesday, December 16, at the Costa Mesa City Council chambers, Westminster Community Service Building, Fullerton Public Library, Room B, and Marco Forster Junior High in San Juan Capistrano. A daytime meeting is set for 11 a.m. on Thursday, December 18, at the La Bonita Community Center in Santa Ana.

Council members will then revise the draft application in response to comments made at these five meetings. A second set of meetings is scheduled for 7:30 p.m., Wednesday, January 7, at Laguna Federal Savings in Laguna Beach and at the city council chambers in Santa Ana, Los Alamitos, and Placentia to review a more complete application draft. The final application must be submitted to the Governor, the Department of Health, Education, and Welfare and other agencies no later than January 19, 1976.

The Council is competing with Orange County Board of Supervisors for designation as the new HSA under P.L. 93-641. If the Council is designated as the HSA, it would continue to perform its planning and review functions but would assume additional responsibilities, especially in the area of reviewing and commenting on applications for public health funds by local private and governmental agencies.

Because the County Supervisors are the area's most frequent applicants for such funds, the Council contends that it would be a direct conflict of interests for the County to be both the major applicant and also the review agency which decides who should get the funds.

The Council has an 11-member task force which is working on its application. Members are: George R. Sheets, Pharm.D., Irvine, current president of the Council; Ernestine Ransom, Orange, vice president; Jeanne Dukes, Garden Grove, secretary; Arthur Holub, Ph.D., Tustin, treasurer; Lois Benes, Irvine, cochairperson of the Council's Plan Development Committee; and Paul Flanagan, M.D., Costa Mesa, chairman of the Facilities Review Committee. Others are Rev. Arthur Kent, Orange, Nominating Committee chairman; Perry Parker, Santa Ana, Personnel Committee chairman; Eugene Dahlgren, Fullerton, former administrator of Martin Luther Hospital; Beth Graham, La Habra, who represents the Southern California Association of Governments in the Council's Assembly of Delegates; and Thomas Homrighausen, vice mayor of Los Alamitos, who represents the League of Cities on the Council's Board of Directors.

The American Cancer Society says one of the trends in cancer is that the overall age-adjusted cancer death rate for American women has been declining slowly but steadily since 1936.

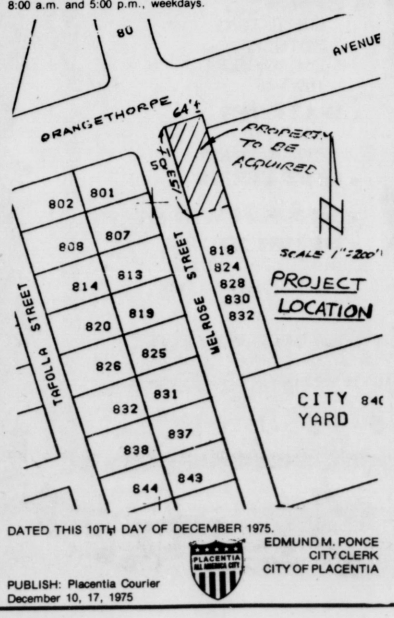
NOTICE OF OPPORTUNITY FOR PUBLIC HEARING

NOTICE IS HEREBY GIVEN that the City of Placentia is proposing to construct street and traffic signal improvements under the Federal Aid Urban (FAU) Program. The location of these improvements is generally at the intersection of Orangethorpe Avenue and Melrose Street and more specifically shown on the drawing below.
Proposed to be constructed is a traffic-actuated signal controller with standard signal displays to replace the existing span-wire installation. Right of way acquisition and demolition of one single family residence at the southeast corner of Orangethorpe Avenue and Melrose Street will be required prior to construction of pavement widening, curbs, gutters and sidewalk.
All interested parties to the design of this proposed project may request a public hearing before the Placentia City Council by giving written notification to the City Clerk, City Hall, 401 East Chapman Avenue, Placentia, California, 92670. Deadline for submission of requests is 5:00 p.m., December 31, 1975.
If no requests for a public hearing are received by the stipulated deadline, the City will proceed with the design as planned. All available records for this project are on file for public inspection and copying in the City Engineer's Office of the Placentia City Hall between the hours of 8:00 a.m. and 5:00 p.m., weekdays.



DATED THIS 10TH DAY OF DECEMBER 1975.

Instant Structure Draws Attention To Placentia

Wagner Park, just north of Wagner Elementary School, was displaying a brand new building this week....where a week ago untouched ground existed.

The quick construction project, upon its completion, becomes the property of the city as a present from the LamCo Construction Company, Anaheim.

Needing a place to construct a model building in short order, the company decided on the Placentia Park grounds after a first offer to the city of Yorba Linda by architect Robert Jones, was not acted upon. Jones lives in Yorba Linda.

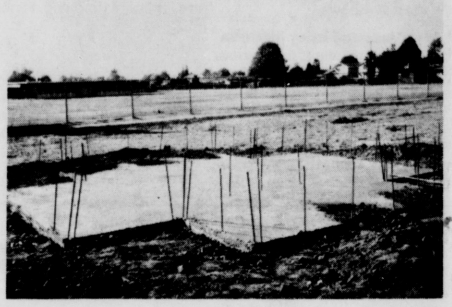
"The city of Yorba Linda just couldn't move fast enough," Jones explained. "Placentia called a special meeting of their city council and accepted the building... so they got it," Jones recalled.

Jones also had words of praise for Dick Samp, the city's Director of Recreation and Maintenance Services, who made the arrangements for the instant construction project.

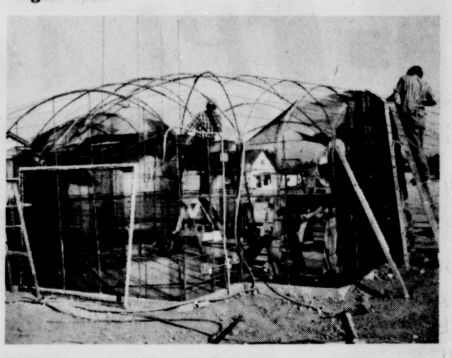
The reason for the hurry concerns interest by foreign countries in the 260 square foot building as a possibly mass produced desert house. The cost would be approximately $9,000 for one of the buildings, but in the case of the city, represents a savings close to $16,000...the projected cost of restroom and storage facilities for Wagner Park. The building will be put to this use.

The color of the building will be determined by the final layer of plaster both inside and out and in the case of the Wagner Park structure will be a light tan-beige.

The buildings, which take about 10 hours to stucco, can be produced in a variety of colors, from light reds, to yellows to greens. They are expected to be used as a family house on foreign shores.



INSTANT HOUSE! At the beginning, the slab is poured for the 260 square foot building, to be used as rest rooms in Wagner Park.



THE STRUCTURE PROGRESSES--with steel rods pivoting the shape and steel mesh rounding out the semi-domed building form. This was the third day of work on the instant building.

THE HOUSE DRIES--In Wagner Park waiting for the final coat of plaster, which will contain a light tan coloring. Less than a week was required to reach this stage.

THE CEMENT COATING--is hosed on with 7,000 pounds of pressure as Beldon Fields, vice president of Western Plastering in Orange, begins to apply the first coats to the giant bird cage.

MORE OF THE MIXTURE--is applied to the outside of the building by George Ego. The process coats the building inside and out. The thicker the coating, the greater the durability and insulation. This is the fourth day of production.

Sierra Vista Offers Yule Programs

Students and teachers at Sierra Vista are busy rehearsing the school's annual holiday programs, which are scheduled for presentation in the Multi-purpose room on December 16th.

Students in the primary grades (kindergarten through third grade) will be presenting their Christmas program at 2:15 p.m. An evening program will be presented by the chorus and Mrs. Swanson's third graders. This program is scheduled to begin at 7 p.m. and entertainment will include a community sing.

Afternoon and evening programs are each expected to last about 45 minutes, according to program chairwoman Pat Bennett. Parents are encouraged to support their children's efforts with a good turnout.

THOSE DODGERS

The Los Angeles Dodgers will open their 1976 National league home season against the San Diego Padres on Monday, April 12, at 7:30 p.m. The opening home three-game series with the Padres will begin a schedule featuring 81 games on 80 playing dates.

Tri-City Park In Planning

Innovations in design and efforts to get phase one into budget for Tri-City Park, consumed most of the meeting of the Tri-City Park Authority held in the Fullerton City Council Chambers last week.

The authority represents Placentia, Brea, Fullerton and Orange County.

Parking problems for the park were discussed and also the possibility of grading the smaller lake in the park design, slightly higher than the large lake, creating a water fall effect under a walking bridge between the two bodies of water.

Architect Courtland Paul of Courtland Paul/Arthur Beggs and Associates, Pasadena-Corona Del Mar, also recommended to members of the authority that one edge of the lake be left in a natural ecological state to encourage birds, nesting and fish spawning.

A possible barrier to this lake edge would be a planted blackberry thicket, which would encourage lake users to stay on the other sides.

The plans proposed now will use virtually all of the eucalyptus groves surrounding the lake, including some stumps, which may be recut and left for seats. Orange groves to the south of the lake will be left intact and a band stand planned, will be moved slightly to afford a better view of it across the waters.

A 300-foot long stream also is included in plans for the 40-acre property.

Final working drawings on the first phase are expected to be ready before Christmas, Paul said.

El Dorado In Carolfest

The fifth annual Park Newport Carolfest will feature 15 concert choirs from Orange County high schools, Tuesday, December 16 through Friday, December 19, in the main lounge of the Spa at Park Newport Apartments, San Joaquin Hills and Jamboree Roads, Newport Beach.

Participating will be El Dorado High School, Placentia.

Five choirs will present a 20 minute program of Yuletide music each evening beginning at 7:30 p.m. Finals will be held Friday and winners from the three previous nights will perform and compete for cash prizes donated by Park Newport. The public is welcome to attend.

First place prize is $350; second, $225; and third, $125. The money is used by the choral groups for new robes, pianos, concert tours, music, and other miscellaneous expenses of the choirs.

Highs schools participating this year are, Bolsa Grande (Garden Grove), Mater Dei (Santa Ana), Costa Mesa, La Quinta (Westminster), University (Irvine), Tuesday evening; Anaheim, Santa Ana, El Modena (Orange), Marywood (Orange) and Saddleback (Santa Ana), Wednesday; and Huntington Beach, El Dorado (Placentia), Sonora (La Habra), Pacifica (Garden Grove), and Estancia (Costa Mesa), performing Thursday.

Programs will conclude at 10 p.m. each night.

Major Concert Presented By Students

The Placentia Unified School District will present a special holiday program on Thursday, December 11 at 7:30 p.m. at the Valencia High School Auditorium.

The program will combine the vocal ensembles from the three high schools in the District, El Dorado, Esperanza and Valencia, and the Placentia Youth Orchestra, a 60-member group comprised of select instrumentalists from approximatley 15 schools.

The program will present each vocal ensemble for a 20-minute segment of music each and the orchestra for another 20-minute segment.

Orchestral selections will include The Farandole, Bizet; French Christmas Suite, Franck, and Selections From The Messiah, handel. Following the intermission, the orchestra and 60-voice select honor choir will present The Bach Christmas Cantata for soloists, chorus and orchestra, For Us a Child Is Born. Another combined number will be Three Carols For Christmas by Grundman.

Soloists for The Bach Cantata are: Sharon Swaney, contralto; Clark Mallory, tenor; and El Dorado's Vocal Music Instructor, Dwight Fichtner, bass. Judy Mahoney, Elementary Musical Specialist, will assist with the piano accompaniment. The El Dorado Vocal Ensemble is directed by Dwight Fichtner, the Esperanza Vocal Ensemble by Dwain Miller and the Valencia Vocal Ensemble by Mary Lou Dunn. The Placentia Youth Orchestra is directed by the Music Supervisor, William Foster.

This is the first time that these groups have been combined in an endeavor of this magnitude.

The ticket donations are 50 cents per person and may be obtained at the door.

Christmas At Golden

The sounds of Christmas fill the air as the children of Golden School prepare for a Christmas Program.

This year the program will be presented by the Primary Grade children. Golden's Chorus will also be performing.

Because Golden has become such a large school there will be two performances to help accommodate all parents. The program will be presented on Tuesday, December 16th at 1 p.m. and again that evening at 7:30 p.m. in the Multi-Purpose Room of Golden Primary.

Golden PTA sponsored a "Bicycle Rodeo" this month. An assembly was held at which time the children were reminded of the rules for the safe operation of their bicycles. Placentia Police Department and the Automobile Club of Southern California participated in helping the children during the bicycle rodeo.

Golden PTA Board mixed pleasure with fun at the December Board meeting held at the home of Mrs. Dixie Riehm. Hors D' oeuvres and a social hour followed the routine Board meeting.

Meeting At Brookhaven

Parents of children in special education classes in the Placentia Unified School District are invited to attend a meeting at 7:30 p.m. Wednesday, December 10, in the Brookhaven Elementary School Multipurpose room, 1851 N. Brookhaven Ave., Placentia.

The meeting, hosted by the special education department of the school district, is a planning session in which parents and staff members will "brainstorm" programs which will be of help and interest to parents of children with special needs, according to Charles Johannsen, director of pupil personnel and special education.

Parents of children in classes for educable mentally retarded, educationally handicapped/learning disabilities, visually handicapped, hard of hearing, multihandicapped and aphasic are invited to the planning session.

"We hope, that through these meetings with parents, we will be able to open another line of communication between homes and schools which will be valuable to parents, as well as children," Johannsen said.

ED To Present Story Theater

Story theater based on folk tales will be presented by drama students from El Dorado High School in Placentia in the Fullerton library branches Wednesday and Thursday, December 10 and 11.

Performances are open to the public at 4 p.m. Wednesday at the Hunt Branch, 201 S. Basque Ave., and Thursday at the main library, 353 W. Commonwealth Ave.

Titled "The Great American Melting Pot," the production features 35 students who created their own script, according to El Dorado drama teacher Gai Jones.

Story Hour Takes Intermission

Attention all storyhour members. The Placentia Library District's Storyhour session will end December 9 (K-3) and December 10-11 (pre-school).

Storyhours will resume 10:15 a.m. Wednesday, January 20 and then January 21 for age 3-5 and Tuesday, January 20 for Kindergarten through third grade. All children are invited to sign up.

Contact the Placentia Library District, 528-1906 for further information, the group advises.

Santa To Attend Pajama Party

Santa's coming to the Placentia Library's Christmas Pajama Storyhour!

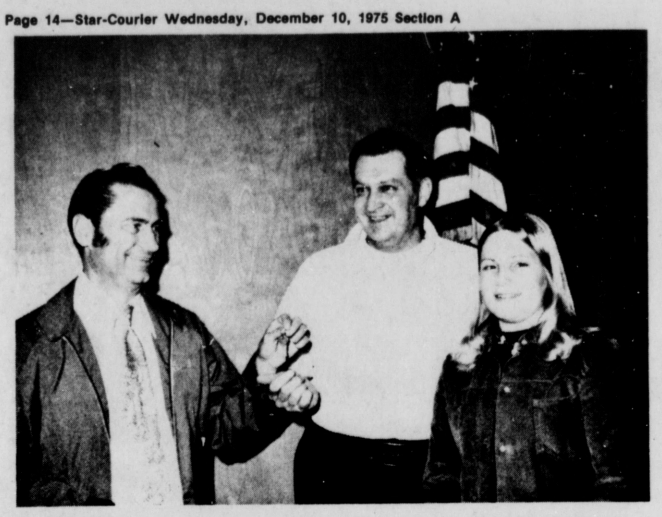
Stories and songs will be featured during this special program with the visit from Santa following the storytime. All children and their parents are invited to attend.

"Cat Ballou", Popcorn, On Marquee

The movie, "Cat Ballou," starring Lee Marvin and Jane Fonda will be presented at the Gomez Community Center, 1701 Atwood Avenue, Placentia, on Friday, December 12 at 7 p.m.

The presentation of this film is being made available free to the community by the Orange Coast Community College Veterans group called "Help the Children." Popcorn also will be distributed free to those attending the film.

The program will take place Tuesday, December 16, from 7 to 8 p.m. in the library Meeting Room. Children are requested to wear pajamas.



THE KEY TO THE TRAILER--goes with the job and here outgoing president Everett C. King [left], makes the presentation to new president of the Valencia High School Ag Boosters, John G. Berberich. On the right is Joanne L. Friend, vice president. The trailer is used by the group to feed students at fair grounds when they are showing their animals. The installation took place at a potluck dinner last week at Kraemer Junior High School.

In and Around Yorba Linda

by Judy Goffin

Ron and Arlene Laverty and sons spent Thanksgiving in the snow at their cabin in the San Bernardino mountains. Ron said it was hard getting there due to so much snow but he plowed right up the road. The entire family enjoyed the snow and made great use of toboggans and sleds. Ron said he went at least 40 miles per hour down an ice covered mountain. Pure excitement.

Yorba Linda-Placentia Soroptimists will once again be involved in Christmas in the Park along with other service organizations in town. The program will be on December 13th at Richard Nixon Park. Santa will visit and there will be an old fashioned singing program. Soroptimists will assist Santa by preparing stockings filled with candy and surprises.

Judy and Joel Slutsky spent a great week-end in San Fransico a few weeks back.

Main Street in Yorba Linda is ready for the holidays with many of the shops sporting gaily decorated windows.

Diane and Larry Swenson enjoyed a week's vacation visiting Yucatan and Mexico City.

Thanksgiving Day at **Dorothy and Vince McDonough's** included an added attraction (after the turkey). 21 year-old Vince Jr. brought the chicken pox home for all. Dorothy figures with six children (three haven't had it) that just about Christmas they will be finished!

Don't forget that Yorba Linda Jrs. are sponsoring Lunch with Santa on Saturday, December 13th.

Schools and service clubs in the area are once again supporting the **Christmas Clearing Bureau** headed up by members of the Placentia Round Table. Canned goods, toys and other assorted items are needed to help make families in the area have a happy Christmas.

Van Buren PTA will hear the Sounds of Christmas at their regular meeting on December 17th when members of the 5th and 6th grade choir perform.

Hawks Fight To Water Polo Championship

A determined El Dorado High School Water Polo team, used two overtime periods to sink the swimmers from Riverside Poly, ending with an 8 to 5 score on their first trip to the CIF finals.

They also brought home the 3A championships.

Coach Walter Druff's Golden Hawks had to fight back their opposition three times from the short end of the score in the Friday night tussle played at East Los Angeles College.

Riverside Poly led the fray with a 2-0 lead before Hawk sophomore Eric Andrews found the mark with a 12-foot shot from the side and John Kolias followed with a penalty shot to tie the game.

The Bear's Scott Miller zeroed in with a fourth-quarter tally. El Dorado's Devin Claffey and Roy Cedarstrom retaliated with just over a minute remaining on the clock.

Into overtime, Cedarstrom, with an assist from Claffey found the mark and further action found Claffey and reserves Mike Mahan and Nelson Kerr adding to the score.

The swimming Hawks won the right to compete as tri-champions of the Orange League. They chalked up a 19-5 season record.

RIVERSIDE-POLY.....	1	1	1	1	0	1-5
EL DORADO.....	0	2	0	2	1	3-8

Riverside: Miller, 2; Born, 1; Oberion, 1; Robinson, 1. Goalie: Wight.

El Dorado: Claffey, 3; Kerr, 1; Mahan, 1; Cedarstrom, 1; Kolias, 1; Andrews, 1. Goalie: Bickford.

Photo by Gary Ambrose

DESPERATE LUNGE-Sophomore goalie Jay Bickford lunges for the ball in the CIF 3A Championships. Bickford's first year in high school polo saw him rise from frosh-soph team to starting varsity goalie, with honorable mention in the all league team.

Photo by Gary Ambrose

DRIVING UNDER PRESSURE-Steve Birchfield tries to drive with the ball in Friday's CIF finals. The game was long and hard fought with overtime required to establish the winner.

A 24-HOUR RELAY MARATHON--will be held Friday, December 12, starting at 8 p.m. The second annual city event will take place at Valencia High School, and that school's Orange League Cross Country Champions were the first to sign up for the venture. The event will be sponsored by Placentia's Recreation Department, on the Bradford Field track. Valencia participants here in front are, left to right, Leonardo Sandoval, Carlos Venegas, Joey Gomez, Flavio Flores, Rich Cisneros, Louie Rivera, Jim Roberts and Francisco Flores. Back row: Pamela Lucio, Leslie Jones, Nancy Silva, Cary Alumbaugh, May Appolito, Lisa Ferch, Pattie Smith, Paula Snow and Jenni Stoll. More information can be obtained from 993-8232.

Orange League Will Grow

by Brian Hilderbrand

Releaguing preparations have been completed, and should go into effect in the 1976-77 season for CIF.

One change affecting Orange County will be Canyon's move to the Century League. To accommodate for the loss, the Orange League will acquire Lowell, from the Freeway League, La Habra, and Fullerton. The Orange League will become an eight-school league instead of the previous six schools.

The releaguing setup for 1976-77 will be:

CENTURY LEAGUE: Canyon, El Modena, Estancia, Foothill, Orange, Saddleback, Santa Ana Valley, Tustin, Villa Park.

EMPIRE LEAGUE: Cypress, Huntington Beach, Kennedy, Loara, Los Alamitos, Santa Ana.

FREEWAY LEAGUE: Anaheim, Buena Park, Katella, Magnolia, Savanna, Sunny Hills, Troy, Western.

GARDEN GROVE LEAGUE: Bolsa Grande, Garden Grove, La Quinta, Los Amigos, Ocean View, Pacifica, Rancho Alamitos, Santiago.

ORANGE LEAGUE: Brea-Olinda, El Dorado, Esperanza, Fullerton, La Habra, Lowell, Sonora, Valencia.

SOUTH COAST LEAGUE: Corona del Mar, Costa Mesa, Dana Hills, El Toro, Laguna Beach, Mission Viejo, San Clemente, University.

SUNSET LEAGUE: Edison, Estancia, Fountain Valley, Marina, Newport, Harbor, Westminster.

Bandits Clean Up On League

Hector's Bandits (6-2) clinched at least a tie for first place in the Placentia Recreation and Maintenance Service Department's Fast Pitch Softball League, by defeating Webb's TV 4-1. Hector Correa had a perfect 3 for 3 night at the plate with one RBI to support the four hit pitching of Rudy Avalos.

Webb's (4-4) only run came in the seventh inning on a single by John Cisneros bringing in Oakie Gomez who had tripled with one out in the inning.

Pizza Pub (5-3) fell out of first place as Brideford (4-4) surprised them with a 6-5 upset win. Dave Lindsey sparked a four run third inning for Bridgeford with a two run homerun.

Mugsey's GArdners (4-4) got back in the race with an easy 12-9 win over last place, Let's Dine Out. Mitch Schaffer batted in three runs to pace the hitting attack for Mugsey's.

Patti Laguna Chosen For "Who's Who"

Word has been received from Northern Arizona University in Flagstaff, Arizona, that Patricia Laguna has been named to the 1975 edition of "Who's Who Among Students in American Universities and Colleges."

Patti, a 1972 graduate of Valencia High School, is a senior majoring in physical education. She is the daughter of Mr. and Mrs. Manuel Laguna of Placentia.

"Who's Who" gives national recognition to a student's scholastic achievement, involvement in extracurricular activities and services to the school and community.

24-Hour Marathon Set

BY CHARLES ROSPAW

In a grueling test of endurance, ten-person teams from throughout the area will be competing in the second annual Placentia Park and Recreation Department 24-hour relay.

Beginning at 8 p.m. Friday, December 12, each member of the team will take turns running until the competition ends the next evening at 8 p.m.

Medals will be given to the top three teams and shirts and shorts to the top individuals.

Both boys and girls are invited to participate and a 50 cent entrance fee will be charged.

YOUNG SMOKERS

Teenagers who think because they're young they don't have to worry about lung cancer are just fooling themselves, "According to American Cancer Society figures, a teenager who begins smoking at age 15 risks a four times greater chance of dying from lung cancer than a person who begins smoking after age 25," she reports.

YMCA Forms Leagues

BY JIM THOMSEN
YMCA Community Program Director

When Dr. James Naismith, a YMCA physical training instructor in Springfield, Mass., invented basketball that afternoon in 1891, he envisioned it as a good competitive indoor game.

He certainly never anticipated a game of 7-foot tall centers, one-on-one, jump shots, sky hooks, the UCLA dynasty or just about anything else the game has become. And for sure, he never expected the YMCA and the National Basketball Players Association to get together and develop YBA, the newest concept in youth sports.

Basketball in Dr. Naismith's time was played with peach baskets and a set of rules that allowed everything short of assault.

This year with the advent of YBA basketball for both boys and girls age 8 to 14 at participating YMCAs, the rules have been refined to allow maximum participation within a framework of values development.

YBA basketball -- about two years in the development stage -- is the brainchild of the NBA Players Association and the YMCA. And what better organization to administer and conduct the program than the organization that invented the hoop sport in the first place, the YMCA?

Expectations are that nationally 100,000 boys and girls will take part in YBA basketball leagues this first year, with an increase to more than 1,000,000 by the 1980 season. That will make it the fastest growing youth sports league program in history.

Professional YMCA directors - both physical education specialists and community club work directors -- joined with Paul Silas of the Boston Celtics and president of the Players Association to write the concepts and rules for the new game ... length of game, size of the ball, height of the basket and other factors.

Then they added professional-looking numbered uniforms and a series of training films and manuals with tips by the pros. All of this is built into a design of YBA basketball being a values development program for players, parents and coaches. In short, it's not just another sports league, it's a sports program.

Will the YBA basketball concept work? As Bill Bradley of New York Knicks said when asked why he was in favor of it, "If we can keep one boy or girl out of trouble; if we can keep one kid away from drugs; if we can make one person a better citizen; if we can put some purpose or direction to one family, then all of the sweat, all of the work of every individual NBA player, every parent, every coach is worth it."

The North Orange County YMCA, representing Brea, Buena Park, Fullerton, La Habra, Placentia and Yorba Linda, is now conducting sign-ups for boys and girls in grades 4 through 8. General organizations will take place in early December with concentration on individual school teams. Further information and registration can be obtained by calling the main facility at 879-9622.

The YMCA of North Orange County is a participating agency in United Way.

High Schools Compete For PTA Memberships

The Parent Teacher Associations of Esperanza, El Dorado and Valencia High Schools are competing in a contest for PTA members. Memberships are $1 per person.

The school with the greatest percentage of members will be awarded a perpetual plaque to be kept by the winning student body for one year.

Membership chairmen are: Esperanza, Judy Smith; El Dorado, Lindi Delaney and Valencia, Carol Olivier.

Membership envelopes are available at each high school administration office. The contest will end January 9, 1976.

The American Cancer Society recommends that every adult have an annual health checkup to include tests for cancer.

Photo by Jane Caswell

OUTSTANDING CROSS COUNTRY-Valencia's cross country team held an award's banquet Saturday night to honor their accomplishments. Pictured are [standing left to right] Luis Rivera [most valuable freshman], Francisco Flores [most consistant senior], Mike Hoeller [co-winner-most improved sophomore], Garland Jackson [most improved varsity], Jim Silva [most valuable junior], [kneeling left to right] Ricky Cisneros [most inspirational], Falvio Flores [co-winner-most improved sophomore], Leonardo Sandoval [most valuable sophomore], and Joey Gomez [most valuable varsity]. Gomez is only a sophomore, but an outstanding runner who set a world record in the 1 hour run as a freshman.

Photo by Jane Caswell

NATIONAL CHAMPS-Valencia cross country's AAU team placed first in the nation for the third consecutive year in 19 and under classification cross country. The teams run their various races throughout the summer and then AAU compiles the best times across the nation to select the fastest teams. This year's champions are [left to right] Ricky Cisneros, Jim Roberts, Francisco Flores, Joey Gomez, and [front] Carlos Venegas. Their winning race was run July 27 at Santa Barbara.

Golden Hawks Fly High !

by Brian Hilderbrand

Paced by the accurate foot of quarterback Todd Peterson, the El Dorado Golden Hawks accomplished yet another come-from-behind win to advance to the semifinals against undefeated Agoura.

Peterson booted a 34 yard field goal with only 20 seconds left to play, to lift the Hawks from a 13-13 tie to a 16-13 victory over the Azusa Aztecs.

It was Peterson's third field goal of the night, each coming in a key situation.

Both teams were stifled in the first quarter, as neither team got into the other's territory.

El Dorado got on the board early in the second period, after Hawk Jim Schneider recovered a fumble on his own 47 yard line.

Ten plays later, ED had the ball down on the Aztec's two yard line. Jim Haynie got the call, and ran into the end zone. Peterson kicked the PAT to give the Hawks a 7-0 lead.

On the ensuing kickoff, Ron Bose recovered an Azusa fumble on the 43 yard line.

On the following seven plays, El Dorado could not move the ball any further than the 25 yard line, so Peterson was called upon to attempt his first of three field goals.

The attempt was 40 yards, and the kick was good, the Hawks held a 10-0 lead into halftime.

The Aztecs completely dominated the third period. They ran 20 offensive plays to the Hawks' five.

Azusa was able to score on the first series of plays in the third quarter. With the ball spotted on the goal line, Paul Bader leaped over the pile for the score. Bose blocked the point after attempt, and El Dorado led, 10-6.

On the Aztecs' first series of the final period, they were able to score on a 30 yard pass from Leonard Pedroza to Bill Wile. Jeff Calhoun kicked the PAT to pull the Aztecs into the lead, 13-10.

On the Hawks' first possession in the final period, they too were successful in scoring, on a Peterson field goal. ED had the ball on the 19 yard line. On fourth down, Peterson stepped in and kicked a 35 yarder, that tied the game at 13-all.

The Hawks got the ball back on an interception by Brian Bartelli at the 47.

The Golden Birds took over with 4:20 left to play, and wasted four minutes off the clock.

With only 20 seconds left, and the score tied, Peterson was called on once more. With all the pressure on his shoulders, Peterson kicked. An Azusa defender got a hand on it, and it took off on a line drive, just clearing the cross bar by inches. The Hawks were assured of a win.

Azusa took the ball with 10 seconds left, but could not move, and the clock ran out on them.

Haynie rushed for 47 yards, lifting his season total to 1,133 yards, setting a new school record for rushing.

Peterson passed for 97 yards, jacking his season total yardage to 1,194, just 423 yards shy of the school record now held by Bob Farra.

El Dorado now meets undefeated Agoura in the CIF AA Semifinals. It will be the second undefeated team the Hawks have played in the playoffs.

Azusa held an 11-0 record into this contest. ED holds a 10-2 record this season.

AZUSA 0 0 6 7--13
EL DORADO 0 10 0 6--16

SCORING
ED--Haynie: 3 yard run; (PAT--Peterson)
ED--Peterson: 40 yard field goal.
A--Bader: 1 yard run.
A--Wile: 30 yard pass from Pedroza;
(PAT--Calhoun)
ED--Peterson: 34 yard field goal.
ED--Peterson; 34 yard field goal.

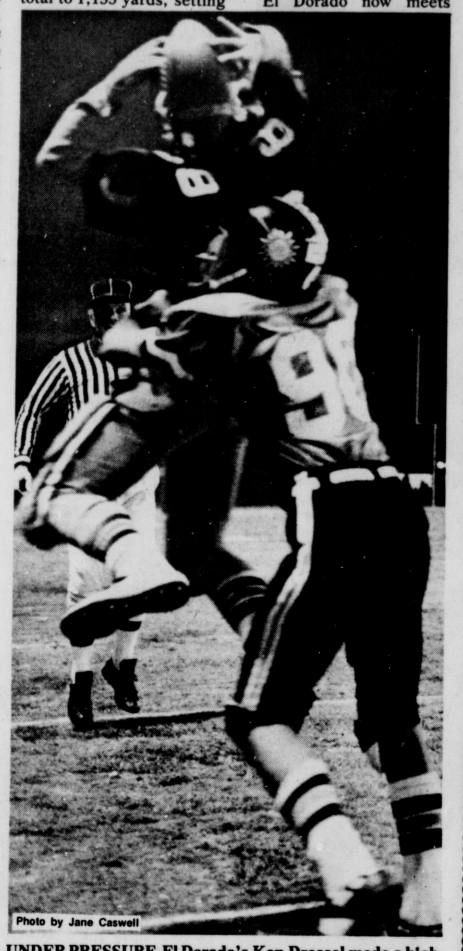

Photo by Jane Caswell

UNDER PRESSURE-El Dorado's Ken Dressel made a high leap to pluck a Peterson pass from the air. Despite a tenuous looking grip, he hung on for a first down in the opening minutes of the game. Azusa Aztec Tom Betts brought him down instantly, preventing further gain on the play.

Photo by Jane Caswell

BATTLE OF WITS--Hawk wingback Craig McIlroy makes an instant decision on which way Aztec safety Rich Nyden will plunge. A part of the CIF action at Friday night's cliffhanger between El Dorado and Azusa.

Swimmers Place In Viejo Meet

Two Swim Teams of Placentia swimmers placed in their events at the seventh Annual Mission Viejo Turkey Classic for AAU "A" and "B".

Lori McAfee took fifth place in the 11 and 12 year old girls 100 yard free with a time of 1:06.46.

Saundra Oberle placed sixth in the 100 yard breaststroke with a time of 1:26.6 for the 9 and 10 year old girls.

Valencia Games Underway

By Brian Hilderbrand

Two-time defending champion El Dorado opened the Valencia Tournament against Santiago Tuesday.

If the Hawks are victorious, they will play again Wednesday at 7 p.m., and again on Friday at 8:30 p.m. in the Championship finals.

The Hawks are coming off a 51-47 win over Troy, last Tuesday. Blake Withers, the only returning starter, was high scorer with 24 points.

Coach Nash Rivera explained that he will be using the month of December as a preparation for the defense of their two back-to-back CIF AA Championships.

El Dorado will participate in the Troy Tournament on December 17, 18, 19 and 20, and the Santiago Tourney on December 30, January 2 and 3.

Rivera noted juniors Jim Babcock, Joe Martin, Jim Boyd, and Rob Linn as the players to watch this season.

Kevin Adams, Ken Dressel, Mike Goode, Mario Herbst, Ralph Jesmont, Paul Johnson, Rory Lovell, and Bob Schwartzkopf round out this year's varsity squad.

El Dorado opens league play this season against Valencia on January 16.

TROY 12 11 8 16--47
EL DORADO 21 10 10 10--51

SCORING
EL DORADO (51)--Withers (24), Lovell (9), Boyd (8), Babcock (6), Martin (4).
TROY (47)--Feary (14), Kingdon (9), Anderson (6), Robbins (6), Chapin (6), Sand (2), Bradshaw (2), Payden (2).

John Comeback Bright

Los Angeles Dodger pitcher Tommy John is excited. And the Yorba Linda resident has a right to be.

John, who suffered what appeared to be a career-ending injury on July 17, 1974, completed his Arizona Instruction League season in outstanding fashion, and all signals are go for his return to the Dodger Stadium mound in 1976.

The trusty lefthander started seven games for the Mesa Dodgers and worked his way to a final game finish of six strong innings. Tommy finished the season with a 3-1 record and a 2.90 earned run average.

In 31 innings, John allowed just 26 hits, 10 earned runs, 10 walks and struck out 24.

"I think I have surprised a lot of people with my performance in Arizona," said John. "I think I pitched well enough to figure as one of the five starters for the Dodgers in 1976."

"The big thing I proved in Arizona is that I can pitch again and throw the ball over the plate," John said. "This was my biggest worry, throwing the ball over the plate. I knew I could throw.

"My control was excellent. I didn't walk a batter in my last 11 innings, and I didn't feel any pain."

After Tommy was operated on by Dr. Frank Jobe on September 25, 1974, there was a time when he thought he wouldn't pitch again.

"I asked Dr. Jobe what my chances were of pitching again and he said that he couldn't say whether or not I would. Then I asked him to rate it on a scale of one to 10 being serious.

"He told me it was about a 10, and that I should start looking for things to do because he couldn't guarantee anything."

John didn't let that bother him. He was determined to get ready for the 1976 National League season and he worked every day for his comeback.

John's daily routine consisted of running five to six miles a day, throwing at least one-half hour every day, therapy in the whirlpool, massage, a muscle stimulator, working with weights and the rubberhand excerise, and even batting practice.

Tommy said he owes much of his confidence-building to his wife, Sally, and Dodger Scouting Director Ben Wade. "They both made me believe I could pitch again and gave me the boost I needed mentally."

Tommy's final pitch in the Arizona Instructional League was clocked at 85 miles per hour by the "radar gun".

Troy Squeezes Orange

BY SCOTT EMBLIDGE

Troy High School won their home opener over the Orange High Panthers, 46-42, on Friday evening. The game was much closer than many expected with the Warriors having to fight back from a 28-18 halftime deficit.

The Warriors, now 1-1 after a four point loss to El Dorado, 51-47, used a full court press to hold Orange to only 14 points in the second half.

The Panthers looked unbeatable in the opening periods with accurate shooting, but they couldn't find the range at game's end.

Scott Anderson led all scorers with 16 points. Kent Barlow added 13 and Mark Pepper contributed nine. Pepper, playing his first game after a mild back injury, gave the Warriors much needed help beneath the boards.

A methodical offense by Troy could not get the shots, and the fast breaking Panthers sometimes burned a sloppy Warrior defense.

Apparently Coach Bill Morris pointed this out to his team at halftime and Troy came on like a well drilled squad playing with few errors and taking good shots.

HAPPY HAWK-El Dorado's water polo co-captain Roy Cedarstrom checks out the football team's progress on returning from the CIF 3A Championships. The bus load of players and fans drove a victory lap around the track at Bradford Stadium, honking and cheering to show their elations. The Championship was a first for El Dorado poloists, and they had their patches tacked on by the time the bus returned to Placentia.

Swimming Lessons Are Free

North Orange County YMCA invites your children to get in the swim of things during their Christmas vacation "Learn to Swim" campaign.

A series of six lessons is being offered to beginners four years and up. No advanced classes are available at this time. There is no charge for the lessons.

These classes will meet during the early afternoons on December 22, 23, 26, 29, 30, and January 2. There will be free recreational swimming following the lessons, from 3:30 until 5 o'clock on the same days.

Registration is required since space is limited. For further information call the Y at 879-YMCA. The YMCA is a United Fund agency.

Aztec Hoopsters Double Losers

BY CRAIG WILSON

The inability to make free throws cost Esperanza the chance to be victorious in their first two home basketball games of the season.

Friday night the Aztecs played host to Saddleback. Esperanza was in the game all the way until Saddleback's Don Case pumped in five points late in the game. The Aztecs then missed four free throws in the clutch and went home losers 55-52.

Top scorers for the Aztecs were Jim Brown with 20 and Rick Buchanan with 12. Case led the Roadrunners as he tallied 19.

Lowell was the guest on Saturday night and the Aztecs got bulled over by the brother combination of Ron and Gary Keil. Ron hit two buckets late in the final period and Gary added three points with less than four minutes remaining to ice a 52-47 win.

Guard Kurt Scanlin led Esperanza with 12 points, while Steve Mead contributed 10 points and seven rebounds.

The Aztecs were only 16 percent from the foul line in the game and now have a 0-3 record going into the Valencia tournament.

Coordinating Council Will Elect

Election of officers and discussion by the Placentia Unified School District Drug Abuse Team, will be the major items of business when the Placentia Coordinating Council holds its regular meeting Thursday, December 11 at the Backs Community Building.

Remy LEATHER FASHIONS

Beauty is more than skin deep.

We're proud of our good looks, but we want people to know we've got depth, too.

At Remy, depth means quality and integrity. Only the finest hides are chosen for our garments. And we don't stop there. Each fashion item is the result of painstaking matching of hides by color and weight. Sleeves, pockets, fronts . . . all are carefully selected for beauty, function and fit.

No other company in America takes this much care.

There are other things, too.

Like stitching. It's straight, unbroken, evenly spaced, using top-quality, long-lived thread. You see the quality instantly. But you only fully appreciate it after years of wear.

Remy fashions grow on you.

The *design and fit* are the result of laborious pilot sampling. There are no sacred cows at Remy. Or sheep, for that matter. We're in no hurry. We pay our employees by the hour, not by the piece. We're all proud of the final product because we take the time and trouble to make it the very best.

Koufax 'Most Memorable'

The "Most Memorable Personality" in Los Angeles Dodger history is Sandy Koufax.

Koufax was selected in a vote by the fans in a poll conducted by the Dodgers during the 1975 season.

The results of the fan voting also revealed Koufax's perfect game and fourth no-hitter, of Sept. 9, 1965, as the "Most Memorable Moment" in Los Angeles Dodger history.

Balloting was held in all Major League cities to determine each team's Most Memorable Personality and Most Memorable Moment.

The selection of Koufax by fans in Los Angeles will be included on a national ballot which will reflect the Most Memorable winners.

Young Life Will Meet

Young Life in the North Orange County area will be having its semi-annual All Area club meeting at 8 p.m. Monday, December 15.

The club will meet at Pacific Christian College directly behind the Titan Theater on Nutwood Ave. Meeting together will be students from the Esperanza, El Dorado, Valencia, Katella and Foothill High School clubs.

Young Life is a nonsectarian organization open to all high school students in the local area. Its purpose is to present to adolescents the Christian faith and its relevance to modern life. These concepts are communicated in simple understandable terms and through meaningful personal relationships. At the present time over 150 young people meet weekly in the area for the casual informative times together.

Any adults interested in finding out about Young Life are invited to attend the All Area club on Monday, Dec. 15, the group stated.

Theater Production Set

Exploring human emotions through dramatic literature is the goal of this year's Experimental Theater production, set to play Thursday through Saturday, December 11-13, at 8 p.m. in the Arena Theater of California State University, Fullerton.

Four Placentia students are in the cast.

"'Emotions' was created from the concept that dramatic literature has served as an excellent record of both basic human emotions and the result of those emotions," explained faculty supervisor Michael L. McPherson, assistant professor of theater.

"Every emotion has eventually been realized in the characters, situations and language of drama," he noted.

"Emotions" consists of scenes from some of the most outstanding plays ever written which depict specific emotions.

Among the excerpts to be staged are scenes from "A Streetcar Named Desire" by Tennessee Williams, Shakespeare's "Two Gentlemen of Verona" and Moliere's "The Misanthrope."

Featured in the performing ensemble are Nadie Shamma, Anaheim; Debbie Olson, Brea; Don Smith, Buena Park; Tom Blackmore, Sandi Echt, Debbie Lyons and Susan Wall, Fullerton; Rita Carrantello, Garden Grove; Keven Worley, Orange; and Kathryn Borsellino, Christine Champagne, Vicky Silva and Alexis Vartanain, Placentia.

In addition to McPherson, faculty supervisors for the production are Dr. Jerry V. Pickering, professor, and S. Todd Muffatti, associate professor.

Mrs. John Stephen Keating

Keating-White

Kelly Marie White, daughter of Mr. and Mrs. James White of Vermilion, Ohio, became the bride of John Stephen Keating, son of Mr. and Mrs. John Keating of Yorba Linda.

The double ring ceremony took place Saturday, November 8 at the Yorba Linda United Methodist church, officiated by Rev. Dean Humbert.

Voile and lace covered the brides long gown accented by a six foot train. She carried a bouquet of yellow sweetheart roses and wore a brooch which belonged to her grandmother.

Pat Alms, maid of honor, wore a bright blue jersey gown, a white hat and carried a long stem yellow rose.

Bridesmaids were Debbie Pereria, cousin of the bride and Kathleen Keating, sister of the groom who both wore matching pink gowns accessorized to match the maid of honor.

James Keating, brother of the groom, was best man and ushers were Ron Pereria and Dean Babcock. Bobby Steiner Pereria was ringbearer.

A reception followed at the home of the groom hosted by Joyce Pakele and Janet Bowman. Jody Edemann attended the guest book.

The brides mother wore a blue and white dress with a corsage of white carnations tipped in blue.

The grooms mother chose a floral design dress in autumn colors and wore a corsage of white carnations.

The bride was a graduate of Vermilion High School in Ohio and is presently employed at Bob's Big Boy in Fullerton.

The groom is a 1967 graduate of Troy High School in Fullerton, served four years in the United States Air Force and is a student at Fullerton Junior College.

NEW OFFICERS--for the Placentia Senior Citizens Club, were installed last week. Pictured in front are Walter Gabel, out-going president; Sue Miller, the new president and Anna Langston, secretary. In back, Mae Geeting, installation officer, Gertrude Crippin, treasurer and Eleanor MacLachlan, vice president. The Placentia Senior Citizens Club now has over 350 members. The new officers will take office in January.

Welcome Wagon Lunch

Members of the Placentia-Yorba Linda Welcome Wagon Club, will attend a Holiday Luncheon, Wednesday, December 10 at Dal Rae Restaurant in Fullerton.

The entertainment will be provided by Peggy Gibble, who will present a dramatic interpretation of actress Helen Hayes book, "A Gift of Joy."

There will also be a gift exchange among the members.

Following the social hour, the luncheon will be served including ham steak with raisin sauce, salad, potatoes au gratin, green beans, holiday dessert and beverage.

Also, monetary donations will be collected at the luncheon to buy 75 Christmas presents for residents of the Gordon Lane Convalescent Home in Fullerton, which members of the Welcome Wagon frequently visit.

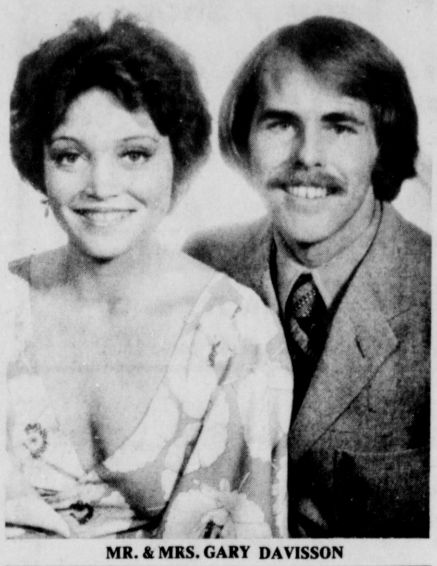
SOCIETY



MR. & MRS. GARY DAVISSON

Davisson-Buddrus

A surprise announcement of the exchange of wedding vows made over the Thanksgiving weekend was made by Colette Buddrus and Gary Davisson to their family and friends.

The wedding was a small private affair at St. Pius Catholic Church in Anaheim on November 26. Pleased with the unexpected good news were the groom's parents, Mr. and Mrs. Dean Davisson of Fullerton and the bride's parents, Mr. and Mrs. David Buddrus of Arlington, Texas.

Mrs. Davisson is majoring in drama at Cal State Fullerton. The groom is a Star-Courier employee in the production department. The couple will reside in Yorba Linda.

BAR EXAM

Dawn Stafford of Placentia was among the 3,550 people who passed the fall 1975 General California Bar Examinations, bar examiners announced last week.

Auxiliary Hosts Events

Mrs. Betty Kinworthy, American Legion Auxiliary 29th District president and Mrs. Mildred Weaver first vice president, were guests of the Placentia American Legion Auxiliary when they met for their recent meeting.

Mrs. Kinsworthy spoke on various topics, child welfare, veterans' rehabilitation, community service, and other services provided by the auxiliaries. She stressed Americanism as a bicentennial project and urged all units to participate in community projects.

Mrs. Weaver, District membership chairman, urged units to make goal plus 11 percent if possible. Mrs. Sue Borbon reported Placentia had made its goal and was eligible for the Early Bird Citation.

Under new business, it was voted to contribute funds to the Placentia Clearing Bureau Christmas Project, and The Freedom Foundation. Holiday parties for the veterans at Long Beach Veterans Hospital were discussed. Members will assist with gift wrapping at the hospital. Gifts are donated and wrapped by the units for the veterans families, the group explained. A Bingo Party will be held December 21 at which time members will assist with homemade cupcakes decorated in the holiday theme. A White Elephant sale to raise funds for the Legion and Auxiliary Cancer Fund Drive will be held when the unit meets for their December meeting.

Young Adult Party Planned

On the evening of December 12, the Placentia Junior Round Table with the support of the Teen Council, the Placentia Round Table and the Placentia Parks and Recreation Department will be holding their annual Christmas Dance for TMR (Trainable Mentally Retarded) young adults 14 years and older.

The TMR Dances have been held monthly for two years on the second Friday of each month at the Backs Building from 7:30 to 10 p.m. in an effort to provide these adults with social experiences outside their limited environments.

The event this month is more gala than usual since a visit from Santa is anticipated sometime during the evening, the group reports.

Kathryn Griffith, project chairman, also has announced that as an outgrowth of the dances, the Juniors have begun an "Adopt a Friend" program. The idea of this project is to provide a lonely TMR adult a Junior friend who will communicate with him via the mail and/or visits on holidays, birthdays or just any day.

These two projects are providing some opportunities of enrichment for these adults who have very limited outside contact and experiences.
